JUNE 1952

Dear Junie:

Well, things are slowly coming to an end. We've had some really swell times together that I am sure we'll both never forget. Right through grammar school and now high school we've been close friends. You've meant a lot to me. I knew if ever I had any problems that would make me feel better if I told them to you — you were always there to listen. For a few years (years) now you've had to put up with me as a next-door neighbor.  I hope that it wasn't too trying for you, but I wouldn't have had it any other way!

Well, as I said before, the four years in high school are slowly — slowly? — today's the last day! — quickly coming to an end. But even though our school days are finished, our friendship has had such a firm foundation that has become strong and lasting through our past years that nothing can ever destroy it! And as the poem says —

A ring of round
And never ends
And that's how long,
I'll be your friend!

Best wishes to one of my very best friends
and one of the very sweetest girls I know.
Love always — (that's a long)
Georgie

Board of Education

MR. JOSEPH F. MRIZEK

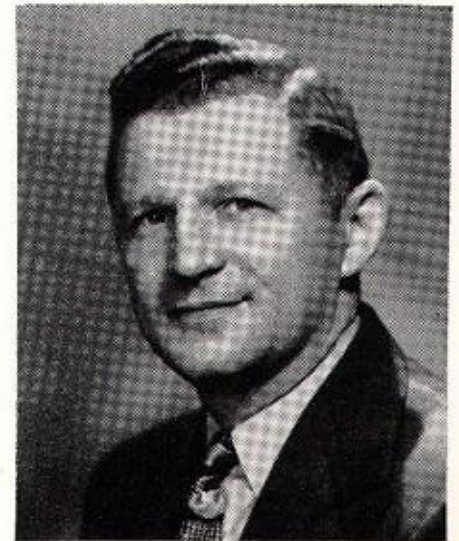

MR. CHARLES MATT

MR. EDWARD W. CHODL

MR. GEORGE PROSCH

MR. OTTO PECHA, JR.

Five men of the school district are elected by the citizens of the community to serve on the Board of Education. These men have put in another busy year maintaining the high standards of J. Sterling Morton High School. They have given generously of their time and effort to provide each student with the best training and guidance that can be obtained. The student body sincerely appreciates the services rendered by the Board.

June 1952

Dear June,

Here we are at graduation again. Boy how proud we felt going down the aisle at Lincoln! Such a long time ago, at least it seems like.

Well, Best wishes and lots of love to you now.

Bye now

Deane Williams

Superintendant

Morton is a good school because it has good students. It has good students because the communities from which they come have good parents and good homes.

Morton is grateful to its students for their unswerving loyalty and enthusiastic service.

MR. ALLEN R. MOORE
Assistant Superintendent

Dear June,
It sure has been
sweet having you in g.a. for four years
and also in some of my other classes. I
hope you achieve everything you desire. The
best of luck to a sweet girl.

MR. E. BLAIR
Business Manager

MR. E. W. GREEN
Director of Public Relations

MR. MOORE . . .

Mr. Moore ably assists the superintendent in carrying out the school's high educational standards. He has charge of the curriculum, instruction, and guidance of school personnel. He works hard to see that our school functions smoothly and efficiently.

MR. BLAIR . . .

As Business Manager of Morton Mr. Blair has many duties. He handles the distribution of our finances and buys the necessary equipment such as textbooks. The supply store is also under his supervision.

MR. GREEN . . .

Every student recognizes Mr. Green as the master of ceremonies at our assemblies. However his position involves many more tasks. He handles the school's publicity and also has charge of the extra-curricular activities.

Office Staff...

The school's secretarial work, records, and telephone calls are handled by the office staff under the direction of Miss Willmot. Adjoining room 310 is the cashier's office where chemistry breakage cards and other fee tickets may be purchased. All the office personnel have done an excellent job in compiling the enormous amount of material necessary to a school the size of Morton.

Maintenance...

A variety of duties confronts the maintenance staff. They have charge of everything from sweeping floors to repairing broken window panes. Under the direction of Ben Smith they have succeeded in keeping the school clean and warm. Only when things are in complete readiness for the next school day, does the working day of the custodians end.

Cafeteria . . .

The "caf" is undoubtedly one of the most popular places in school and needs no introduction. Both the teacher's and student's cafeterias are under the able management of Mr. Kelly. Supplying good wholesome food to many hungry students has been successfully accomplished by the efficient cafeteria staff.

Medical Department . . .

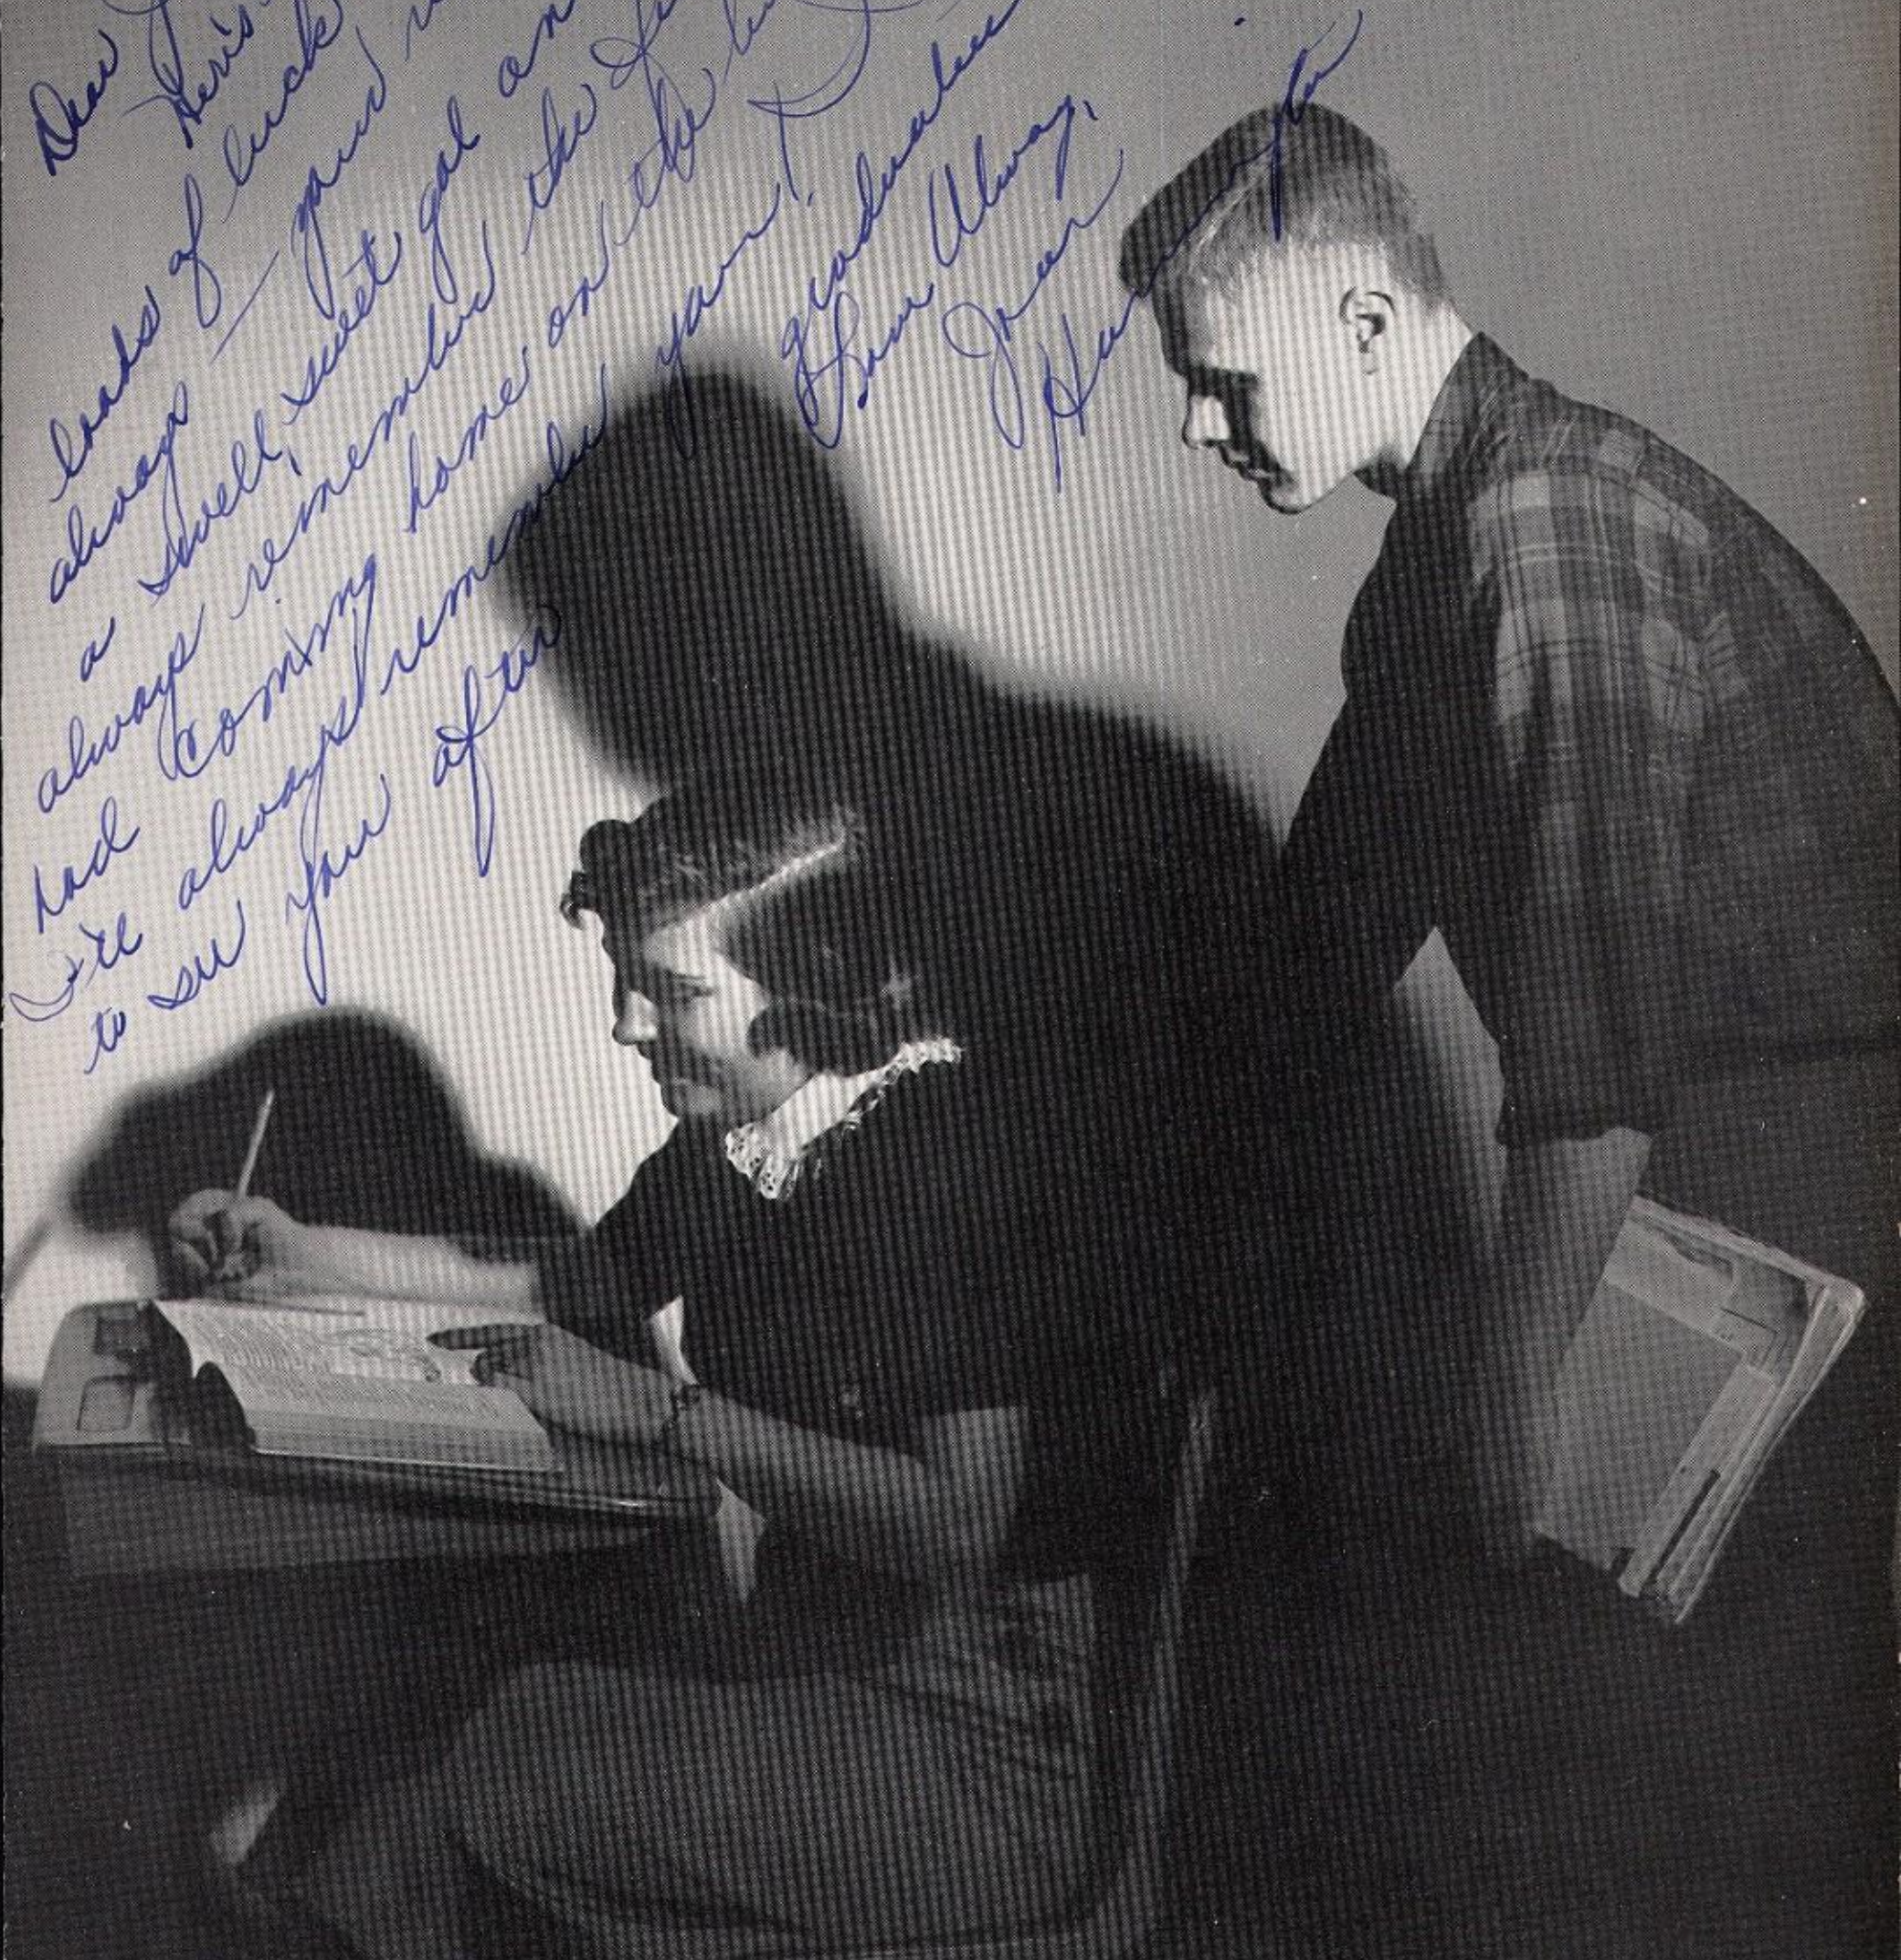

One of the busiest places in school is the medical department in room 380. Here one may obtain an aspirin for that sudden headache and secure home passes and excuses from gym. The doctor, dentist, and nurses have given us wonderful care and see to it that we are physically fit.

Classes

Dear June:
 Its been fun having you in
 consumer problems that semester
 and english last year. Not year of
 meant to say last semester but
 the girl next to me was talking
 so I wrote her wrong thing. Boy,
 schelling sure I made it hard on us,
 didnt she? Oh well that's over
 and done with, at least she
 broke her heart and passed
 us. Best of luck and success
 you get out.

Dear June —

Best of luck and loads of success to one of my dearest friends. I regret that we didn't get to know each other sooner. But now that we do know each other I'm very glad it's been a riot having you in gym and in English. Trying to get that ball over the net and trying to figure out Jerry Cruncher's boots were muddy. I again want to wish you all the happiness in the world.

Activities

Dear June,
This past semester has been just wonderful for me, and you are one person who helped to make it that way. She really had some good times. Love you mad!
Love you mad!

Dear June,
It's been fun having you in S.A. I wish I could have gotten to know you better. Loads of luck and best wishes in the future to a real swell gal.

BIOLOGY CLUB . . . The Morton Biology Club fosters an interest in the biological science by conducting field trips to the nearby zoos, forest areas, and museums. Each year the members of the club enter projects in the Junior Academy Exhibits. The advisor is Miss M. P. Zukor. The officers were: Robert Shoop, President; Ronald Pancner, Vice-President; Arthur Van Cara, Secretary; and Roberta Magista, Treasurer.

CHEMISTRY CLUB . . . The Chemistry Club's activities consist of visiting different laboratories throughout the city and viewing the equipment and methods used in modern chemistry. Experiments are conducted during the meetings under the supervision of Mr. W. L. Muehl. Things were kept popping by Don Pochly, President; Joe Schauer, Vice-President; Rudy Cabina, Treasurer; and Harriette Rabinek, Secretary.

PHYSICS CLUB . . . The Physics Club is open to students who want to learn more about physics than is offered in the classroom. This year the club visited the Chicago University to view the cyclotron. The members make projects under the guidance of Mr. L. W. Johnson. The "live wires" for the first semester were: Charles Ririe, President; George Tovarek, Vice-President; and Henry Snella, Secretary-Treasurer.

DEBATE CLUB . . . The Debate Club is for those students who like to discuss and argue the opposite sides of a particular question. In order to be eligible for membership, a student must maintain a good scholastic record and be interested in debating. Mr. W. J. Cherry, the able advisor, helps members gain skill and proficiency in the art of debating. Debates are held within the club in preparation for inter-scholastic competition. Directing the Debate Club were: Winfield Hall, President; Leila Scelonge, Vice-President; David Bielenberg, Secretary; Joe Zbornik, Treasurer.

SPEECH CORRECTION . . . Morton's full time speech re-education is now in its fourth year. The department serves the high school, orthopedic department, and the junior college. The severe speech problems receive individual attention in the beginning and later group therapy. Minor problems of voice and articulation are cared for by group therapy and usually corrected in from two to three months. About half the teaching time of the correctionist is given to functional speech problems which include many types of articulatory and voice or phonatory problems.

RADIO CLUB . . . The main function of the Radio Guild is the presentation of its programs of school talent and news. Twice a week, on Tuesday at 4:40 P.M. on WOPA and on Friday at 4:30 P.M. on WHFC the members of the Guild present **MOMENTS WITH MORTON**. Through actual practice and training members learn much regarding the field of radio broadcasting. Under the guidance of "Pop" Green, students announce, write and adapt scripts, give dramatic readings, make interviews over the air, and learn how to operate the turntables and new recording machine purchased by the club. Membership is open to any student with an average of 82½ or better and is interested in radio work. The officers for the first semester were: President, Darlene Baker; Vice-President, Ginger Lorr; Secretary, Ronald Harley; and Treasurer, John Paveska.

WRITERS CLUB . . . The atmosphere of the Creative Writing Club is one of informality. The small membership makes it possible for each student to receive individual attention and constructive criticism. The aim of the club is to promote better writing among the members and to teach them the rudiments of creative writing. Each one writes whenever and whatever he pleases, and all members are given a chance to have their stories read and discussed before the group. There are no officers, nor parliamentary procedure, an omission which further promotes pleasant companionship and informal discussion. The well-qualified advisor is Miss M. A. Diez who does her best to aid in the progress of literature for future generations.

FUTURE TEACHERS . . . The members of the Future Teachers belong to the group that someday hope to become teachers and guide our children down the road of learning. This club is very helpful to anyone planning on entering the teaching profession. Education, positions, and opportunities are just a few of the items discussed at a typical Future Teachers meeting. Any student who is a sophomore, junior, or senior is eligible to join this chapter of the national organization of the Future Teachers of America. The members are kept informed by Mr. V. W. Skubikowski.

FUTURE BUSINESS LEADERS . . . Are you interested in business? If so, the club for you is the Future Business Leaders of America. The chief aims of the club are to develop competent, aggressive business leadership, to encourage improvement in scholarship, to create more understanding and interest in choosing a business occupation, and to provide social activities for business students. The officers for the second semester were: Mary Lawrentz, President; Norma Bartolini, Vice-President; Elaine Sholta, Secretary; Carole Reinhardt, Treasurer; Irma Perrelli, Publicity. Advising the group is Mr. W. F. Doak.

TALENT CLUB . . . "Do you have talent?" If you do, then the club for you to join is the Talent Club. Throughout the year the members of the club take part in the assemblies, appear on radio and television, and give charity performances. Leading the club this year were: Carole Mottel, President; Ada Sue Bales, Vice-President; Pat Bales, Secretary; and Jackie Jedlicka, Treasurer. The advisor is Mr. A. P. Kovanic.

CARTOON CLUB . . . The Cartoon Club gives interested students an opportunity to study the cartooning branch of commercial art. Miss C. Stevenson directs the club and encourages the members to create new cartooning techniques. All students are welcome to join the club. The top creators for this year were: Paul Kautnik, President; George Slifka, Secretary; and Wayne Hall, Treasurer.

MARIONETTE CLUB . . . Each year the members of this club make their own marionettes and present a short play. This year the members are busily working on marionettes and sets for South Pacific. Miss L. Tarachas supervises the activities while the officers direct the production. Pulling all the strings were: David Elderkin, President; Walter Wismer, Vice-President; and Margarethe Hofert, Secretary-Treasurer.

STAMP CLUB . . . Are you one of the thousands of people all over the country that collect stamps? If so, you should become a member of the Stamp Club. An interest in stamps and stamp collecting is the only requirement for membership. Besides promoting interest in stamp collecting, the club offers a wonderful opportunity to trade, buy, or sell stamps. Members of the Stamp Club soon build up fine collections. Mr. I. C. Ullrey, a veteran stamp collector, is the advisor of the Stamp Club. The officers for the year were Wayne Haack, President; Raymond Zbornik, Vice-President; Robert Meisenger, Secretary.

CHESS AND CHECKER CLUB . . . The principal purpose of the Chess and Checker Club is to give students an opportunity to play the two games and develop proficiency in them. The members play each other in intramural tournaments. Whenever it is possible, interscholastic competition is arranged. The only requirement for membership is an interest in chess or checkers. Beginners are always welcome to join the club and obtain instructions from the members and the advisor, Mr. C. L. Prazak.

TRAVEL CLUB . . . The Travel Club is a club for all students who like to travel and who are interested in working on activities which result in the benefit of the club. Not only do the members travel; but they also sponsor such activities as hayrides, square dances, and beach parties at the "dunes". During the school year the members take trips to the stock yards, Starved Rock, and to Mammoth Cave in Kentucky. The most important trip and activity that the club sponsors is the annual trip to Wildhorn Ranch in Colorado. A few weeks after school is out, the hardy travelers and many other anxious Morton students take leave of Chicago and head for "The Wide Open Spaces". This year the club is headed by the top foreman, Mr. L. C. Prucha, and his dudes, Carol Beranek, President; Joy Sipek, Vice-President; Ellen Kobzina, Secretary; and Doris Nenninger, Treasurer.

MATHEMATICS CLUB . . . The Morton Mathematics Club affords students an opportunity to get together to discuss problems of a more challenging nature than those offered in the regular mathematic courses. This club holds a special appeal for prospective engineers, scientists, teachers, and for those who enjoy mathematics. Each year the club puts out a booklet containing many intriguing problems. The advisor is Mr. W. J. Cherry. The math whizzes for the first semester were: Neil Barta, President; Bill Polich, Vice-President; Pat Myksin, Secretary; and Ken Swanson, Treasurer. The "brains" for the second semester were: Richard Herout, President; Dolores Pahnke, Vice-President; Donna Ullrey, Secretary, and George Hughes, Treasurer.

ANGLERS CLUB . . . "It sure gave me a battle!" are familiar words exchanged in a meeting of the Anglers Club. This club is for those interested in any phase of angling. The members engage in many interesting activities such as tying flies, making baits, and winding rods. An annual event in the Anglers Club is the casting tournament. In addition to seeing many fishing movies, the club sponsors fishing trips to northern Wisconsin. Leading the club along with Mr. E. W. Brakken, the advisor, were: Robert Hansen, President; Frank Krbec, Vice-President; Dan Krakora, Secretary; Charles Smid, Treasurer.

AERO CLUB . . . The purpose of the Aero Club is to stimulate the interest in aeronautics which may be in any boy. The boys construct model aircraft in their spare time and then bring them to club meetings for the benefit of all the members. Everyone gains a sense of pride at being able to fly a model airplane that he has carefully made. The Aero Club sponsors air meets and field trips to airports on weekends. The officers of the club were: Don Markowski, President; Bud Pekarek, Vice-President; Dick Kinst, Secretary; Joe Dobes, Treasurer. Mr. A. M. Clem is the advisor.

MODEL RAILROAD . . . Locomotives, boxcars, cabooses, and switches are all familiar to members of the Model Railroad Club. The primary purpose of the club is to promote an interest in model railroading. Members view exhibits and listen to lectures in order to learn about the latest in model railroading. While most of us pack our model trains away after Christmas, the Model Railroaders keep theirs running all year around. The Model Railroad Club, led by Ray Mountford, Engineer; Ken Boula, Fireman; Gene Royce, Conductor; is sponsored by Mr. G. L. Royce.

FUTURE CRAFTSMEN . . . The Future Craftsmen Club is an organization of vocational shop boys. The purpose of the club is to promote the spirit of craftsmanship, increase knowledge of industrial organization, and promote fellowship among the boys interested in industrial education. In addition, the members have social meetings and swimming and basketball outings. Officers were: Richard Mikuta, President; William Denk, Vice-President; Roy Ljungberg, Secretary; Evans Kostas, Treasurer. The club advisor is Mr. P. R. Rohe.

BOOSTER CLUB . . . The chief aim of the Booster Club is to support the teams during each season. By selling candy, hot dogs, and various pins, the members of the club are able to promote better spirit among the students and the team. Everyone who is interested in sports and service is eligible for membership in this club. It is a familiar sight to see the members of this club selling candy or pins at the home games. The added treat this year was hot dogs at the football and basketball games. Their big surprise for this year was a large pin with a photograph of the varsity basketball team with their coaches and manager. This service club is always ready and willing to lend a helping hand to any other school organization. Each year the proceeds from the sales held during the year are put into good use as the Booster Club presents its annual Sports Banquet in honor of the varsity squads for each sport. Thus you can see that as you support this club, you are also supporting the teams. At the end of each year the hard-working members are awarded service pins. Mr. J. Kohout is the advisor of this club, and he does his best to build better Morton spirit at all games. The officers for the first semester were: Lois Gross, President; Joan Lichtenberger, Vice-President; Lynne Roberts, Secretary; and Patricia Pauley, Treasurer. The second semester officers were: Joan Lichtenberger, President; Joan Ziman, Vice-President; Lynne Roberts, Secretary; and Patricia Pauley, Treasurer.

JUNIOR SENIOR GIRLS' CLUB . . . This service club, one of Morton's largest service clubs, devotes itself to service in both the school and the community. The girls receive various awards by earning points through the various activities in which the club has an active part. If you are a Junior or a Senior and you are a member of the female species, then you are welcome to join this club. The only requirement is that you have plenty of pep and energy besides the willingness to serve your school and community. Each year this club grows larger, proving that more and more girls are interested in working for many worthy causes. This large group is organized so as to distribute the many activities and affairs which the club has an active part in among its many hard working members. These many committees plan the various functions which the club has decided to work on during the year. These committees in turn bring reports to the officers and the club and also give the various assignments to the girls who are able and willing to work on these varied projects. Throughout the year the girls are kept busy constantly, but they enjoy every minute of their work. This club is under the able guidance and direction of Miss E. M. Prutsman.

JUNIOR SENIOR GIRLS' CLUB . . . The many activities in which the girls take part during the year are as follows:

1. Sponsoring the White Elephant Sale each year
2. Arrangement of the Mother-Daughter Banquet
3. Maintaining the Lost & Found Department
4. Aiding the Welfare Committee
5. Serving at the annual Father-Son Banquet
6. Promotion of a Suburban Girls' Club Conference
7. Assisting other clubs in drives
8. Giving teas on special occasions
9. Making collections in the G. A. classes for the Community Chest and the Peace Crusade

The officers for the first semester were: Roberta Simone, President; Emma Lee Pagni, Vice-President; Joy Vesely, Treasurer; Norma Dezonias, Secretary; and Betty Lou Mungai, Historian. The second semester officers were: Patricia Florian, President; Elsie Paloucek, Vice-President; Carol Kubik, Secretary; Carol Giauque, Treasurer; Betty Lou Mungai, Historian.

ALMEGA CLUB . . . "Have you purchased your ribbon yet?", is a question that students are likely to ask during Almega Club's annual ribbon sale. The proceeds of this ribbon sale are used exclusively for charitable purposes. Since the club is primarily a service club, the members devote their time to doing things for others. For example, toys are made for children in hospitals around the Chicago area. Another important activity is serving at various banquets held during the year. Any Morton girl is eligible for membership. Directing the activities of the club were. Marianne Langer, President; Pat Policky, Vice-President; Pat Klecka, Secretary; Elaine Kolk, Treasurer. The hard working advisor is Mr. J. M. Gault.

JR. RED CROSS . . . "Put a washcloth and a bar of soap in this box", are words often repeated by members of the Jr. Red Cross. These boxes, many of which are to be sent overseas, are carefully checked by the hard working members. Another project of the Jr. Red Cross is to send Christmas gifts to the veterans at Hines Hospital. At Easter time the members sponsor the Easter Seal Drive and either furnish a needy youngster with a new Easter outfit or send contributions to unfortunate families in the community. The Jr. Red Cross is composed of delegates from each home room and is directed by Mrs. A. M. Smenos. The officers were: Bob Hansen, President; Dorothy Ricker, Vice-President; Irma Bonjorn, Secretary; Rosemary Carder, Treasurer.

Service Women

FROSH-SOPH GIRLS CLUB . . . The Frosh-Soph Girls Club is mainly a service club. Some of the activities in which the girls take part are: the making of picture posters for the childrens hospitals, the collecting of games and toys for Piney Woods School for Negroes, and the making of charity baskets for poor families in the community. Throughout the school year these girls work hard to serve the school and the community. They also have several sales throughout the year and aid in the welfare of many deserving people. The membership in this club is limited to freshmen and sophomore girls only. The advisor for the club is Mrs. P. G. Reffner. The officers for the club were: Arlene Wood, President; Dolores Spolar, Vice-President; Beverly Swallow, Secretary; and Allyne Nenninger, Treasurer.

HI C . . . If you want to have fellowship with other Christian students, then the club for you is Hi C. The club meets twice each week, once during morning G. A. and again during afternoon G. A., for the convenience of both upper and underclassmen. There is also a prayer meeting each morning before first hour. During club meetings the members take part in singspirations and Bible studies. Several times during the year the club has guest speakers, chalk talks, films, and skits by members of the club. Each year the Hi C club brings Morton students movies that were produced by the Moody Bible Institute. One of the favorites this year was "Hidden Treasures". The club has many outside activities which include going to Youth Conferences and visiting other religious organizations. The club members enjoy many parties and picnics which they sponsor during the year. Each member may earn points for his Hi C shield by participating in the club activities, faithful attendance, daily Bible reading, and quizzes. The club is open to all religions, and its aim is to promote greater Christian fellowship throughout the school. The advisor of this club is Miss N. M. Hadraba. The officers for the club were: President, Richard Rausch; Vice-President, Ronald Albrecht; Secretary, Marilynn Smith; and Treasurer, Joe Walta.

A Riding We Will Go

Dear June,
It's been great knowing you
these four years at Morton;
I sure hope to see you during
the summer.

I hope you
succeed in
everything
you do.
Best of
luck and
wishes to

BIT'N BRIDLE CLUB . . . The purpose of the Bit'n Bridle Club is to further the members' knowledge of horsemanship. Not only has it excellent instruction, but it also has many social affairs and informal activities. The club rides as a group every Saturday morning at the Greentree Stables. One thousand points are required for the Bit'n Bridle emblem. They can be earned by riding and attending club meetings, hayrides, and other social functions. Leading the club were: Miss E. G. Endriz, advisor; Joseph Krakora, President; Sandra Karls, Vice-President; Barbara Novak, Secretary; Beatrice Spilka, Treasurer; Carole Strand, Ass't.

SADDLE CLUB . . . "Aw, come on, horsie, let's get together now and smooth things out." This might be heard from a Saddle Club member. The only requirement for membership is an interest in promoting good horsemanship and sportsmanship. The club is interested in riding and learning the fundamentals of riding. It offers opportunities for the advanced riders as well as the beginners. In addition, members are awarded with emblems after meeting certain requirements. Officers were: Sue Armstrong, President; Sharon Mracek, Vice-President; Irma Bonjorn, Secretary; Doris Giannini, Treasurer. The advisor is Mr. L. C. Prucha.

MOVIE OPERATORS . . . Audio-visual materials are an accepted part of a modern educational program. Morton's movie operators learn to present these materials in the various classes throughout the Morton school. The operators acquire skill in operating various types of audio-visual equipment, such as: sound projectors, slide projectors, Opaque projectors, record players, public address systems, and tape or wire recorders. In addition, the boys gain valuable experience in getting along with fellow students and teachers; and they acquire habits of responsibility, reliability, promptness, and courtesy. Any Morton boy is eligible to earn one-half of a unit credit a year by becoming a member of the Movie Operators. Everytime a student sees an operator and camera enter his classroom, he is seeing one of the finest visual education departments in action. In recognition of their work, Mr. B. Mikula, the advisor, presents a pin to each operator with two years of service. Club officers were: John Kulik, President; Carl Larsen, Vice-President; Edward Sirovy, Secretary; James Dalton, Treasurer; William Borne, Sergeant at arms.

AMATEUR RADIO CLUB . . . Have you ever yearned to be a "ham" radio operator? If so, the club for you is the Amateur Radio Club. The purpose of the club is to instruct amateurs in all phases of radio and to spread knowledge concerning the theory and practice of radio. Beginners are always welcome. The Amateur Radio Club is unique in that it provides licensed members with an amateur radio station. Officers were: LeRoy Hrdlicka, President; LeRoy Granlund, Vice-President; Charles Bell, Secretary and Treasurer. Mr. E. H. Thomas is the advisor.

MOVIE MAKERS . . . This club is for those interested in developing skill in the operation of various movie cameras and projectors. By actually taking movies, the members learn the difficult art of taking good pictures. Various student activities at Morton and outside of Morton have been filmed by the Movie Makers, such as football and basketball games. The exacting techniques of developing film and making film strips are learned. An interesting project is making 2x2 slides. These slides are taken in either black or white or in color. The group is advised by Mr. B. Mikula.

SYNCHRONIZED SWIM CLUB . . . This year the Swim Club has worked hard to perfect their routines for their annual spring show "Chicago". Besides all their hard work, the members found time to enjoy many picnics, parties, and exhibitions in and out of school. Each fall new members are welcomed to join the club. Tryouts are held, and each applicant is put through his paces. You must have skill in diving, skulling, and underwater swimming and also a variety of strokes in order to complete the essential background for the club. In this way the most talented students are brought together for the sole purpose of perfecting their skills and learning ballet stunts which they will use in their spring show. Many of the members find that before they know it they have earned the prized Swim Club "M". Often many of the members find outlets for their talents and skills in being lifeguards at various pools and beaches throughout the Chicago area. Miss R. E. Berman is the advisor of the club, and high praise and credit must be given her for the wonderful productions that she and the members of the Swim Club bring to Morton students each year. The officers for the club this year were: President, Donald Bozis; Vice-President, Joelyn Smidl; Secretary, Nancy Janecek; and Treasurer, Fred Pollack.

TICKET OFFICE . . . "Do you have a ticket for tonight's basketball game?" This is a familiar saying heard in the ticket office. It seems miraculous that they always have a ticket left just for you. The Student Ticket Office handles the sales of all tickets for athletic and social events. Included in its work, the office aids in the arrangements for buses to away games, and the reception of deposits for the March of Dimes and Christmas Seal funds. The advisor, Mr. G. B. Reeve, selects the students for this work on the basis of their grades, reputation, and integrity. Of course, they also enjoy many parties, picnics, and bowling tournaments held throughout the year. The Ticket Office also sells the valued ANNUAL tickets to all you lucky people.

STUDENT BANK . . . The purpose and activities of the Student Bank are twofold. It provides a convenient place for all students to keep and save their money until the time comes when they need it. It also provides a practical way for students to learn the value of good record keeping and banking. The operation of the bank in itself takes a great deal of record keeping and figuring. The bank accepts all deposits whether they are large or small, and an account can be opened in the bank with as little as one cent. Many students find it possible to save their money for Christmas presents, class rings, college funds, and the ANNUAL. Each student is specially selected, and his work not only benefits the school but gives him practical experience and training under the capable direction of the advisor, Mr. A. J. Frattinger.

SENIOR COUNCIL . . . The Morton Senior Council is a club made up of Junior and Senior boys who are organized to give service to the school in various ways. One of their main duties is to render student control of the auditorium at all student assemblies. The other activities of the club include serving tables at most of the school banquets, acting as guides for some of the special programs that bring parents to the building, and sponsoring the annual Father and Son Banquet. All the prospective members must be nominated by club members; and because membership is limited to sixty students, members are chosen from a waiting list. The club is under the capable guidance of Mr. H. L. Meeker. The officers for the first semester were; Jack Nicolette, President; Robert Bryant, Vice-President; Frank Lescinsky, Secretary; and Frank Simek, Treasurer. The second semester officers were: Frank Simek, President; Ronald Pihera, Vice-President; Frank Lescinsky, Secretary; and Fred Lokay, Treasurer.

JR. COUNCIL . . . This group, composed of underclassmen, has many varied activities. Ushering during all of the P.M. assemblies is their main job. Their fine work has enabled Morton students to have greater freedom during assemblies than most schools. Another important activity of the Jr. Council is to wait on tables at the various banquets during the school year. The members are very helpful at P.T.O. meetings. They act as guides and hand out programs to the parents and guests. The Jr. Council, as in former years, works in co-operation with the Senior Council. Directing the activities of the club for the first semester were: Daniel Sifrar, President; Robert Carrigan, Vice-President; John Vopicka, Secretary; Allen Fisher, Treasurer. Second semester officers were: Daniel Sifrar, President; Michael Norman, Vice-President; Joseph Lanzarotta, Secretary; Ted Franz, Treasurer. Mr. G. M. Larimer is the advisor.

FRENCH CLUB . . . The French Club offers students of the language an excellent opportunity to acquaint themselves with the art, literature, traditions, customs, and history of France. Members visit the Art Institute to view the works of famous French artists and attend operas sung in French. Dining at French restaurants is an activity that everyone enjoys. Annually, at Christmas, the club supervises the sending of food and other essentials to aid the needy in France. Officers for the second semester were: Carol Kriebel, President; Barbara Keller, Vice-President; Arlene Barchank, Secretary; Phyllis Linhart, Treasurer. The advisor of the French Club is Miss M. J. Blair.

SPANISH CLUB . . . By visiting places of interest in the Chicago area and meeting people who are prominent in Spanish education, the Spanish Club aims to better acquaint its members with Spanish customs and possible careers involving the use of Spanish. The club, under the able guidance of Messrs. F. Naccarato and V. J. Narbutas, has undertaken social work in the form of parties for the Spanish-speaking children in Chicago. The highlight of the year was a Christmas Pinata party at El Jarocho Restaurant. Officers were: Elaine Mesec, President; Jeanne Reznik and Dolores Pahnke, Vice-Presidents; Jovita Munoz, Aid-de-Campe; Arlene Moran, Secretary; Dawn Jindrich and Sandra Baker, Treasurers.

CZECH AND FOLK-DANCING . . . Do you enjoy the folk dances performed at various assemblies throughout the year? The Czech and Folk-Dancing Club perfects them for everyone's enjoyment. The members dance to the piano tunes of Mrs. West. An annual event is a good old-fashioned Bohemian dinner at Klaus's Restaurant. Throughout the year motion pictures are shown and reports on Czechoslovakia are made. Members also visit places of special interest. Speaking Czech is emphasized at all meetings, and members write to pen pals in Czechoslovakia. Anyone interested in Bohemian or Bohemian traditions is eligible to join the Czech and Folk-Dancing Club, which meets twice a week during both homeroom periods. Leading the club activities this year were: Jean Petracek, President; Libby Pikart, Vice-President; Marlene Musil, Secretary; Paul Lebloch, Treasurer. Miss E. Jahelka is the advisor.

MORTON BOWLING CLUB . . . Look at that strike! Yes, you can bet your only strike that this is the Morton Bowling Club. Every member participates in the annual Christmas tournament with beautiful trophies and shining medals as prizes for good bowling and good sportsmanship. In Morton's Bowling Club the students learn to co-operate in fun and play as well as work. This club, under the direction of Mr. J. Loprieno, offers good, clean, healthy fun along with an opportunity to earn a bowling "M". Besides its regular meetings in school, the club bowls on Saturdays. Since the Morton Bowling Club is divided into two groups, there are two sets of officers. They are: Caryl Galligani and Frank Fiala, Presidents; Mary Ann Kocniek, Georgiana Sebesta, Bob Gorski, and Bill Jarous, Secretaries.

ROLLER CLUB . . . "Oops, there I go again!" . . . "Someday I'll get those wheels rolling right!" Yes, this is a familiar saying at the "rink". If you would like to learn to do more than just straight roller skating, then it's about time you joined this club. There are numerous opportunities for you to learn how to do varied dance steps as well as other amazing skating techniques. The club is open to all students, but membership has to be limited to 150 members. The club holds many parties during the year, and you find that before you know it, you will have become a better skater and have made a lot of new friends. You can earn the prized "Roller M" by collecting points as you attend the parties, go to the meetings, and go skating each week. The club advisor is Mr. A. P. Kovanic.

CHEERLEADERS . . . "Yea Morton!" That's just a part of the many cheers that the Cheerleaders lead the Morton fans in chanting at our games. It is the aim of the team to promote better sportsmanship between the opposing schools and to lead the student body in cheers. Any Morton student is welcome to try out for the team. In order to be eligible, each cheerleader must be passing in all majors and must be judged on the basis of personality, pep, neatness, and sportsmanship. The hard working coaches are Miss M. E. Flanders and Miss M. I. Miller. Each cheerleader can earn an "M" by collecting 1000 points through attendance at meetings, cheering at games, and also leading in the pep assemblies held throughout the year. There are no officers for this team since a captain is appointed for each night of cheering.

FROSH-SOPH DRAMA CLUB . . . Members of the Frosh-Soph Drama Club are rapidly taken through work in pantomime and characterization and introduced as soon as possible to actual participation in plays produced in the Little Theatre. Under the direction of Mr. R. W. Teeter, the fledgling actor learns the techniques of stage movement, of voice projection, of acting, and how to produce calculated effects repeatedly on various audiences. He puts this knowledge to work in such plays as "The Secret Life of Walter Mitty" and "He."

The first semester officers of the Frosh-Soph Club were: President, Marian Roth; Vice-President, George Potsic; Secretary, Virginia Hanzelin; and treasurer, Carol Jedlicka. Officers for the second semester were: President, Flora Fiore; Vice-President, George Potsic; Secretary, Barbara Schleitweiler; and Treasurer, Alduinia Granucci.

JUNIOR DRAMA CLUB . . . The aim of the Junior Drama Club this year was not only to present plays but to learn some of the stage techniques from Mr. Teeter. During the school year, they worked on pantomimes and on getting the actions over to the audience without any dialogue or words of explanation. They also gained experience in acting out impromptu situations without preparation. The second semester saw several plays rehearsed and performed for the student body.

SENIOR DRAMA CLUB . . . The Senior Drama Club's biggest project is the successful presentation of the Senior Play. Months before the play, however, short skits are given by the members at the meeting. There are always groups rehearsing with Mr. Teeter for the production and staging of a play.

The officers for the first semester of the Senior Drama Club were: President, Norbert Bruzan; Vice-President, Marilyn Hosek; Secretary, Carole Budorick; and Treasurer, Don Kouba.

NATIONAL THESPIANS SOCIETY . . . Thespians is an honor organization for high school students who are members of the Radio Guild, who are doing exceptional work in radio, or who excel in some form of dramatic work. It was founded in 1929 and began in Morton in 1935. This organization is under the direction of Mr. Teeter.

The purpose of Thespians is to create a more active and intelligent interest in high school dramatics. The motto of every Thespian is: "Act well your part; there all the honor lies".

SENIOR PLAY . . . This year the curtain rose on a warm, human comedy, directed by Mr. R. W. Teeter, entitled "Family Circle." It was an outstanding Senior Play based on the Otis Skinner family. Both Mr. and Mrs. Skinner had had successful stage careers; but they did not think that their daughter, Cornelia Otis Skinner, would become stage-struck.

Cornelia had an overwhelming desire to become an actress. Although a sweet girl of about 17, she frequently reacted to things in a dramatic way. She, however, pursued her interest in the theatre and became a famous actress and lecturer and has written several books.

After the play the Carnes Cup was awarded to Carole Budorick for the most outstanding work in voice diction, and Donna Foreit received the Coggeshall Cup for displaying the best acting achievements.

VOCATIONAL PHOTOGRAPHERS . . . Room 201-A is another one of the many rooms kept very busy from the time school opens in the fall until spring vacation. It is here the photographers, under the supervision of their teacher, Mr. C. O. Druschel, do the work asked of them by the Weekly and the Annual Staffs.

Our hats are off to these boys for the hard work and extra hours they put in to serve the school.

 I'll always remember the heartbreaking game

 but the end was sad. Oh well, here's hoping you
 have a *The Mortonian Annual* Best Luck
 Doris Escutia

Hidden far away on the first floor is a small office with the words "Mortonian Annual" printed on the door. Upon approaching this door, one might hear loud noises; or his nose may be attracted to strange odors of a foul-smelling glue and carbon tetrachloride, both of which add to the final results of the Annual.

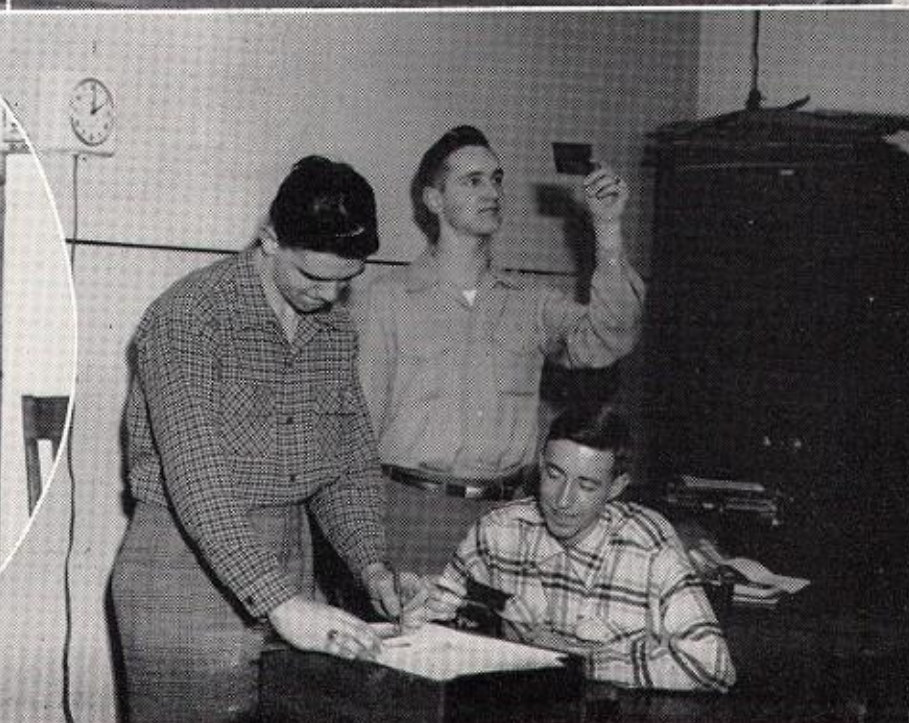

There is more to producing the year book than meets the eye. First a theme must be chosen and a cover planned. The real work begins for everyone when staff assignments are made. Each person is responsible for his or her own section. Layouts are planned and pictures scheduled and taken, sometimes retaken due to the breakdown of the camera or lost negatives. After sizing the pictures, the biggest problem faces the staff, the writing of captions and copy. Everything must be finished before the deadline; and to do this, all the members help one another with their worries and work.

These are but a few of the things that go into the making of the Annual. The staff also finds time to leave the office, their second home, for parties, tobogganing, and bowling.

Looking back through the year of hard work and fun, the members can point with pride to the part each played in making the Annual a success; and the entire staff joins together in thanking Mr. Fox, the advisor, for his kind and patient help.

Each and every person has a big and important job in making the Weekly the success that it is.

MSGA . . . The Morton Student Government Association is the sponsor of Morton's many activities. Probably most of you have seen Room 256 many times, but you didn't realize that it was the center of operations for the MSGA. Room 256 is a beehive of activity, and it is always being used for the betterment of Morton.

Similar to the operation of our national government, the MSGA is composed of three main parts: the executive branch, the legislative branch, and the judiciary branch. The executive branch, which is really the Board of Directors, is made up of eight seniors, eight juniors, four sophomores and four freshmen. These members are elected in the spring by the assembly, which is made up of the MSGA representatives. The other members are the presidents of the four classes. A member is in office for a term of one year.

The Board of Directors proposes the laws and regulations, but these must pass the approval of the Assembly. It is also up to the Board to either pass or reject the legislative action which is taken by the Assembly. In turn, the decisions of the Board must be approved by the Assembly before they undergo complete legislation.

The Chairman of the MSGA for the first term was Frank Liska, and Gordon Busby served the second term. Bill Madden, Vice-Chairman; Marlene Zahovec, Secretary; Nancy Pilot, Assistant Secretary; and Lois Obenauf, Treasurer. The Senior Board Members are: Bill Hempstead, La Verne Mraz, Arlene Grugurich, Georgia Skoglund, Neil Barta, Carole Ufferman, Doris Sabat, Frank Lescinsky, and Betty Maresh. Juniors: Bill Madden, Bob Miller, Elaine Kvidera, and Marlene Zakovec. Sophomores: Lois Obenauf, Nancy Pilot, Vic Schubert, Marilyn Screbel, and Mary Alice Brakken. Freshmen: Mary Ann Pardus, Jack Dunn, Jenny Hanglaun, Martha Naylor and Virginia Jurkus.

MSGA . . . The legislative branch of the MSGA is invested in the assembly. The representatives are elected each semester through the G. A. classes. The representative then has the duty of relaying the important details of the meeting back to his or her G. A. class. The representative has one vote on each issue which represents the opinion of his classmates. These meetings are held in the Little Theater on every second Monday, the time alternating between the fifth and eighth hours.

The Executive Committee is composed of the officers of the Board of Directors and the Assembly. The advisors are: Miss Prutsman, S. C. Richards, and J. Ondrus. The function of this committee is to plan the business of the Board meetings.

The Judiciary branch of the MSGA is the Court of Justice, which is elected by the Board of Directors. There are five justices, two faculty, and three student. The Chief-Justice, two prosecuting attorneys, two defense attorneys, secretary and bailiff are in turn elected by the Court. The Court has jurisdiction over any school law which is broken.

The chief justice this year was Lincoln Stelk. The other justices are: Jack Nicolette, Winfield Hall, and Virginia Cech. Mr. Meeker and Mr. Burford are the able advisors.

The Social Committee, Doris Sabat Chairman and Lois Obenauf assistant chairman, plans the ever-popular dances and other activities at Morton. This year's Valentine Dance was a great success due to the wonderful decorations which were used, especially Ken Kral's gingerbread house. The advisors were Miss Matousek and Mr. Kitzerow.

MSGA . . . The MSGA is composed of many different committees. These committees have the job of planning the many types of student activities. The chairman of the MSGA, Gordon Busby, chooses from the Board of Directors the people who are to be the chairmen of these various committees. In turn, these chairmen select their own committee members.

The "M" Book Revision Committee, which plans the cover for the "M" Book and compiles the information for the incoming freshmen, is a little known but important committee. The chairman was Carole Vermilya, and Miss Russell advised the committee. The Calendar Committee, led by Betty Maresh, chairman, scheduled all the school events and reserved the dates for the many social activities. Mr. Green was the advisor of this committee. Bill Hempstead was the chairman of the Constitution Committee. This committee keeps our school constitution up to date, and if necessary, new clauses may be added to fit our needs. Mr. Larimer is the advisor.

The budget for the coming year is planned by the Ways and Means Committee. Bob Miller is the chairman and Mr. Kasik is the advisor. The Welfare Committee, Joan Novotny chairman, raises funds and materials for the help of needy organizations and individuals here in Morton, in other parts of the United States, and in other parts of the world. The advisor for this charitable organization is Miss Austin.

MSGA . . . Marlene Zakovec, chairman of the Election Committee, has charge of the Assembly elections, Board, and the Cabinet. This committee also helps with the Senior Honor Society elections. The main job of the Athletic and Booster Committee, headed by Carole Ufferman and advised by Miss Wissig, is to promote and sponsor the homecoming activities. The Booster Committee also worked hard to give our students greater morale at the pep assemblies. Bill Roeder had the job of awarding the deserving graduates at the Little Commencement. These students who receive the awards were to have been outstanding in some phase of student activities: drama, sports, journalism, and service to the school. The advisor of this group is Miss Prutsman. The weekly assembly programs are prepared by the Auditorium Committee. Mary Ann Pardus, Ron Pihera, Bill Madden, Gordon Busby, and Betty Maresh are the members of this committee. Mr. Green, Mr. Meeker, and Mrs. Murren are the advisors.

The Senior Honor Society

SENIOR HONOR SOCIETY . . . The highest goal that any Morton student can achieve is membership in the National Senior Honor Society. Besides maintaining a good scholastic standing, each member must possess admirable qualities of character, leadership, and service.

Each year, elections are held in December for the mid-year graduates and again in May for the June graduates. In order to be eligible, students must rank in the upper third of their class. Fifteen per cent of the senior class and five per cent of the junior class are then admitted by a vote of both the students and faculty.

The organization's social activities are under the able guidance of Mr. P. L. Kiser including the teas held each semester for the newly initiated members and the assistance of the Junior Honor Society with the Honors Banquet.

Officers for the first semester were Lincoln Stelk, President; Larry Yule, Vice-President; Donna Ullrey, Secretary; and Georgiana Dobias, Treasurer. Officers for the second semester were Georgiana Dobias, President; Geraldine Zamostny, Vice-President; Joan Corby, Secretary; and Jack Zalke, Treasurer.

SENIOR MASQUE AND GAVEL . . . The Masque and Gavel is an honorary society whose purpose is to stimulate and promote speech development and improvement in the school and community of which it is a part. Its slogan, "speech for use", was chosen to call attention to the value of good speech in everyday life. Nothing is a greater asset to anyone in business, social and domestic life than pleasing and cultivated speech. The field of speech is no longer confined to histrionics and formal debate. The speech a student uses in the classroom is a part of his equipment in life, a tool with which he learns to live in harmony with his fellow men; thus the Masque and Gavel requires scholarship and a high standard of speech for its membership.

The Masque and Gavel is open to sophomores and juniors. A candidate must either complete the requirements for the Jr. Masque and Gavel; or if he excels in some particular speech field such as drama, debate and radio, may upon the recommendation of his sponsor and four classroom teachers of major subjects be initiated into the Masque and Gavel in the May meeting. He must declare his desire to become a member before March 15th to the sponsor of the Masque and Gavel.

In addition to frequent radio drama, the Masque and Gavel members are available for announcements and promotional work for civic and charitable organizations. The club makes contributions to counselling activities, presents plays for other departments, and sends speakers to local clubs.

The officers this year are: Doris Karner, President; June O'Connell, Vice-President; Virginia Cech, Secretary; Don Hajek, Treasurer; and George Benak, Sergeant-at-Arms.

Accomplishment Is Theirs

Upper left: Future leaders of the Senior Masque and Gavel

Upper right: The Junior Masque and Gavel affords opportunities

Lower right: Initiative and Dependability

QUILL AND SCROLL . . . This fine organization is dedicated toward the improvement of journalism at Morton. The purpose of the Quill and Scroll is to encourage and promote initiative in the fields of high school journalism. Eligibility is limited to members of the Mortonian Weekly and Annual who are in the upper third of their class and in their third or fourth year. Prospective candidates are determined by the recommendation of Mr. Fox, Annual Staff, or Miss Gaarder, Weekly Staff.

Initiations are held every spring and are followed by a banquet at which the newly elected members are presented with the Quill and Scroll pins.

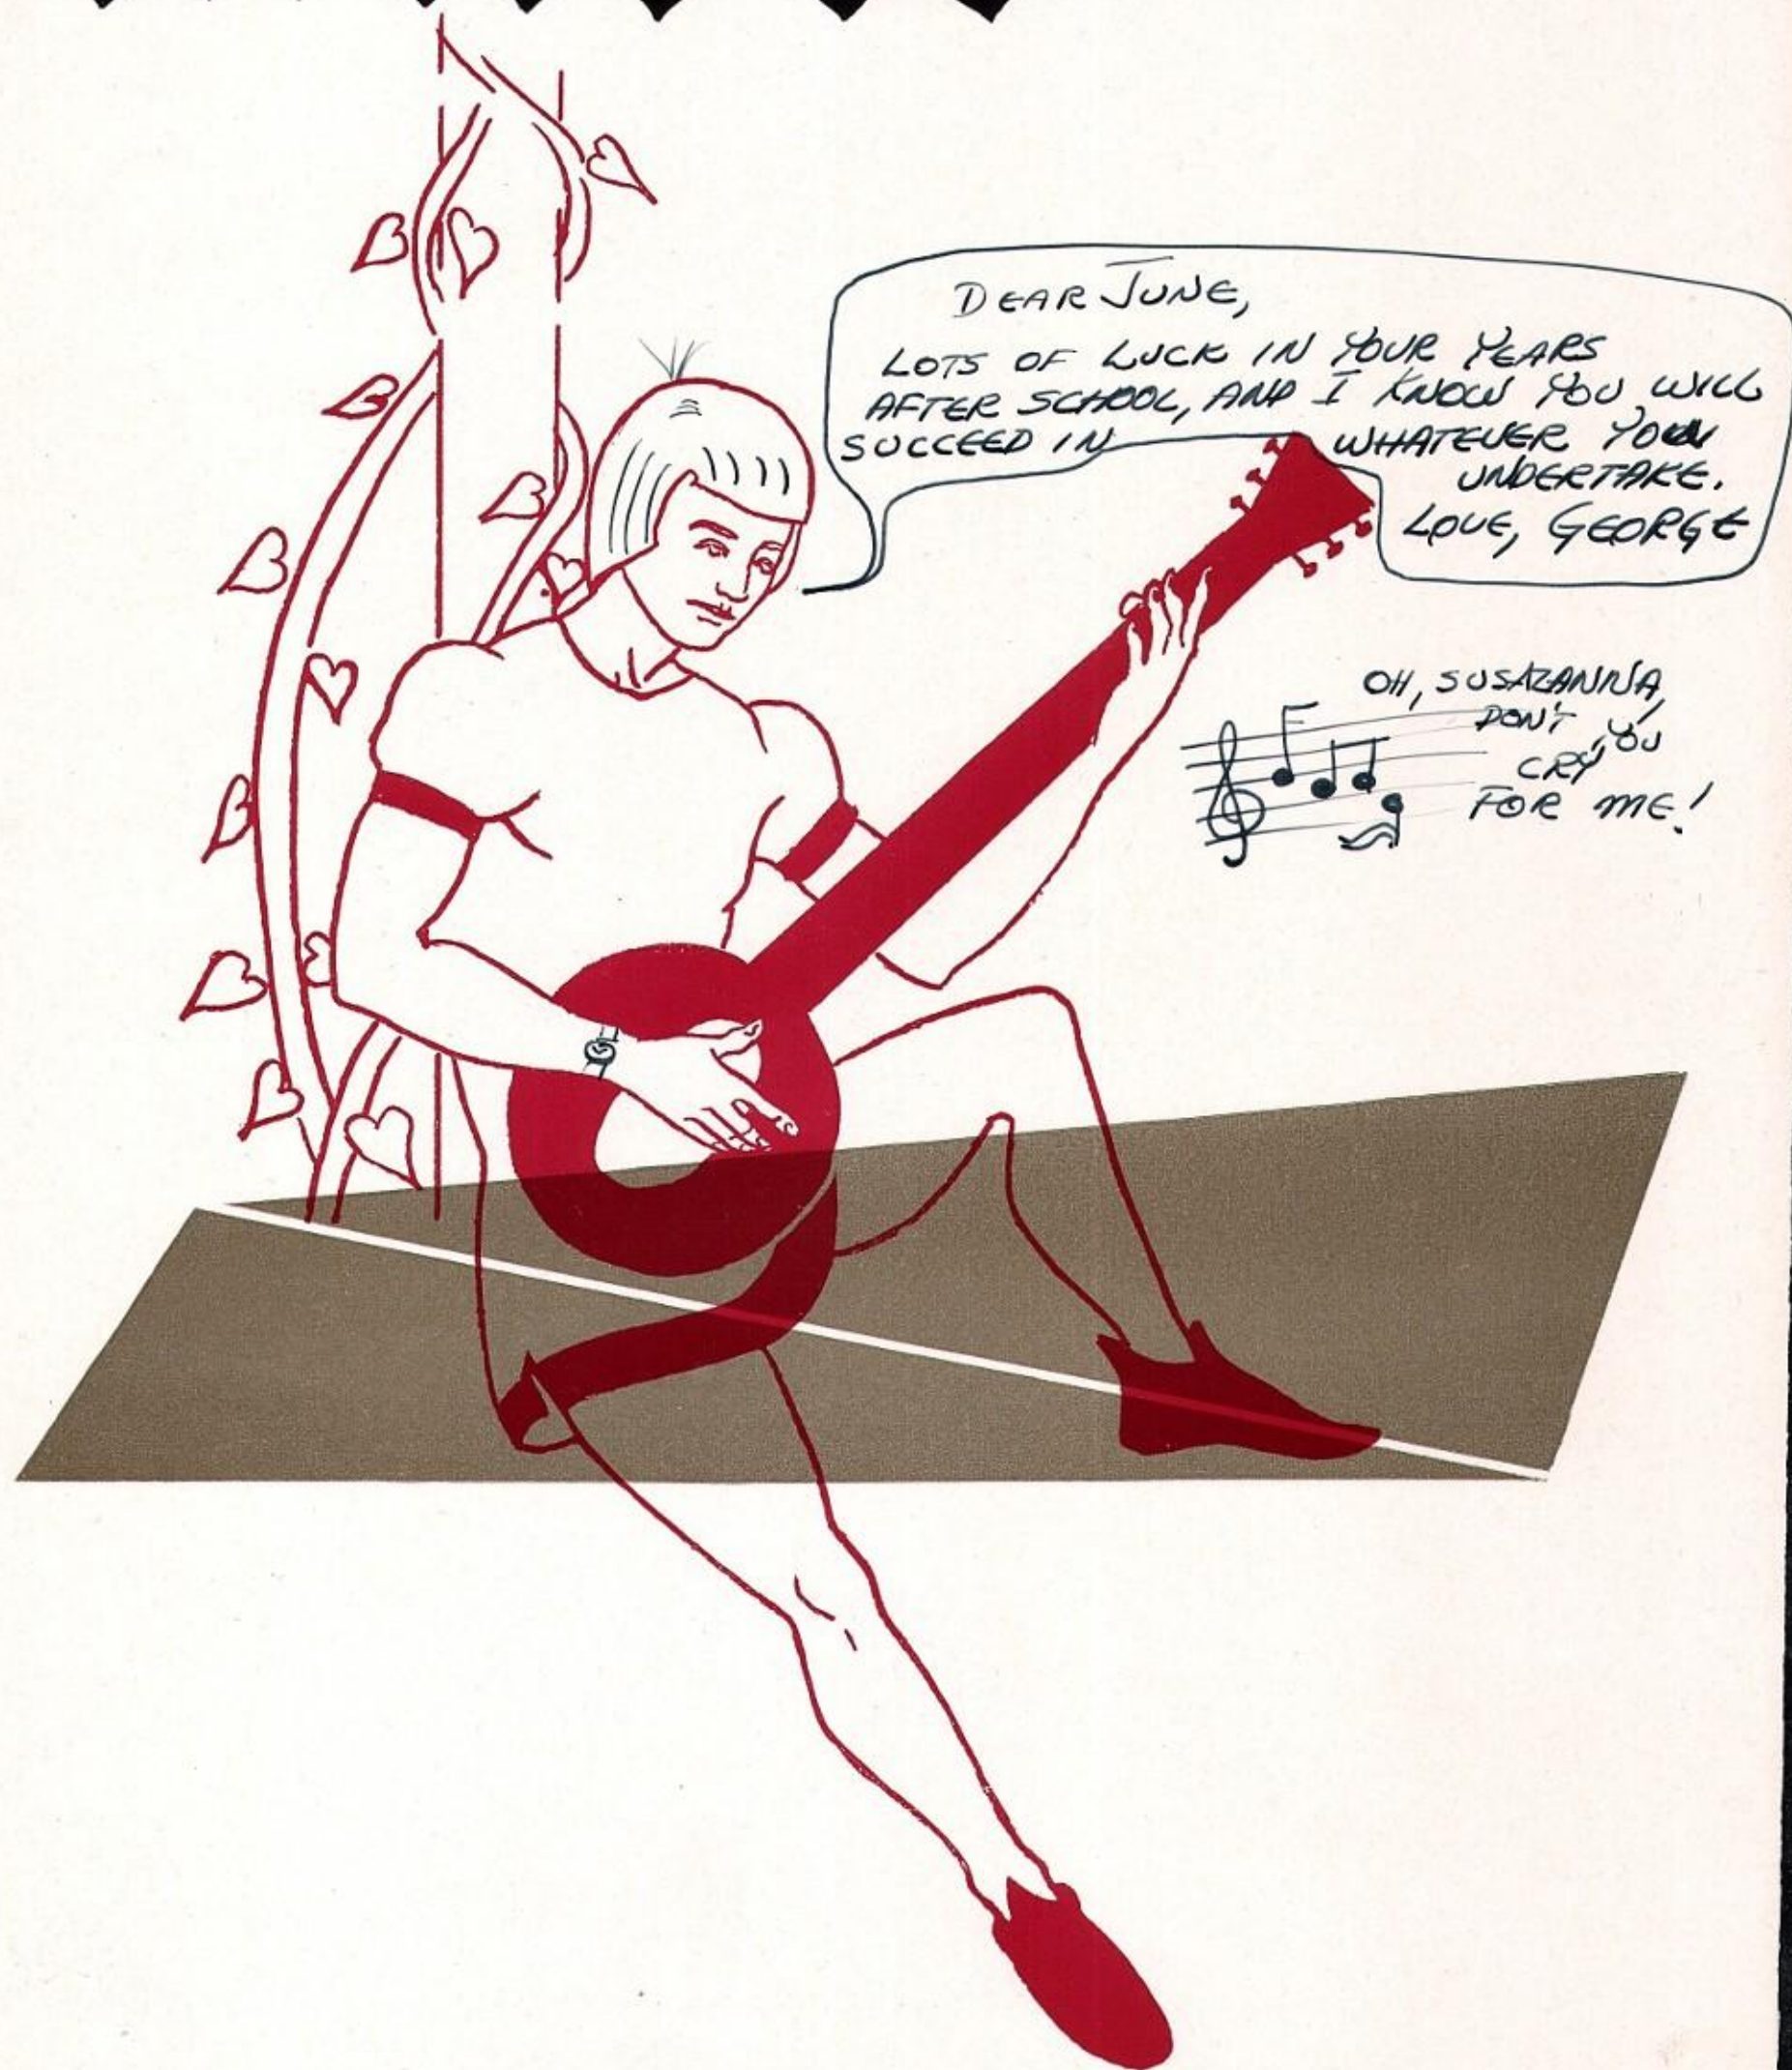

This year's officers are: Fred Hertel, President; Dolores Pahnke, Vice-President; Doris Sabat, Secretary; and Jo-Ann Kircher, Treasurer.

JUNIOR MASQUE AND GAVEL . . . The Junior Masque and Gavel trains the inducted fifth semester underclassmen in the fields of drama, public speaking, and the fundamentals of parliamentary procedure. This training is necessary if they wish to qualify for the Senior Masque and Gavel, and they must also maintain at least an 85 average.

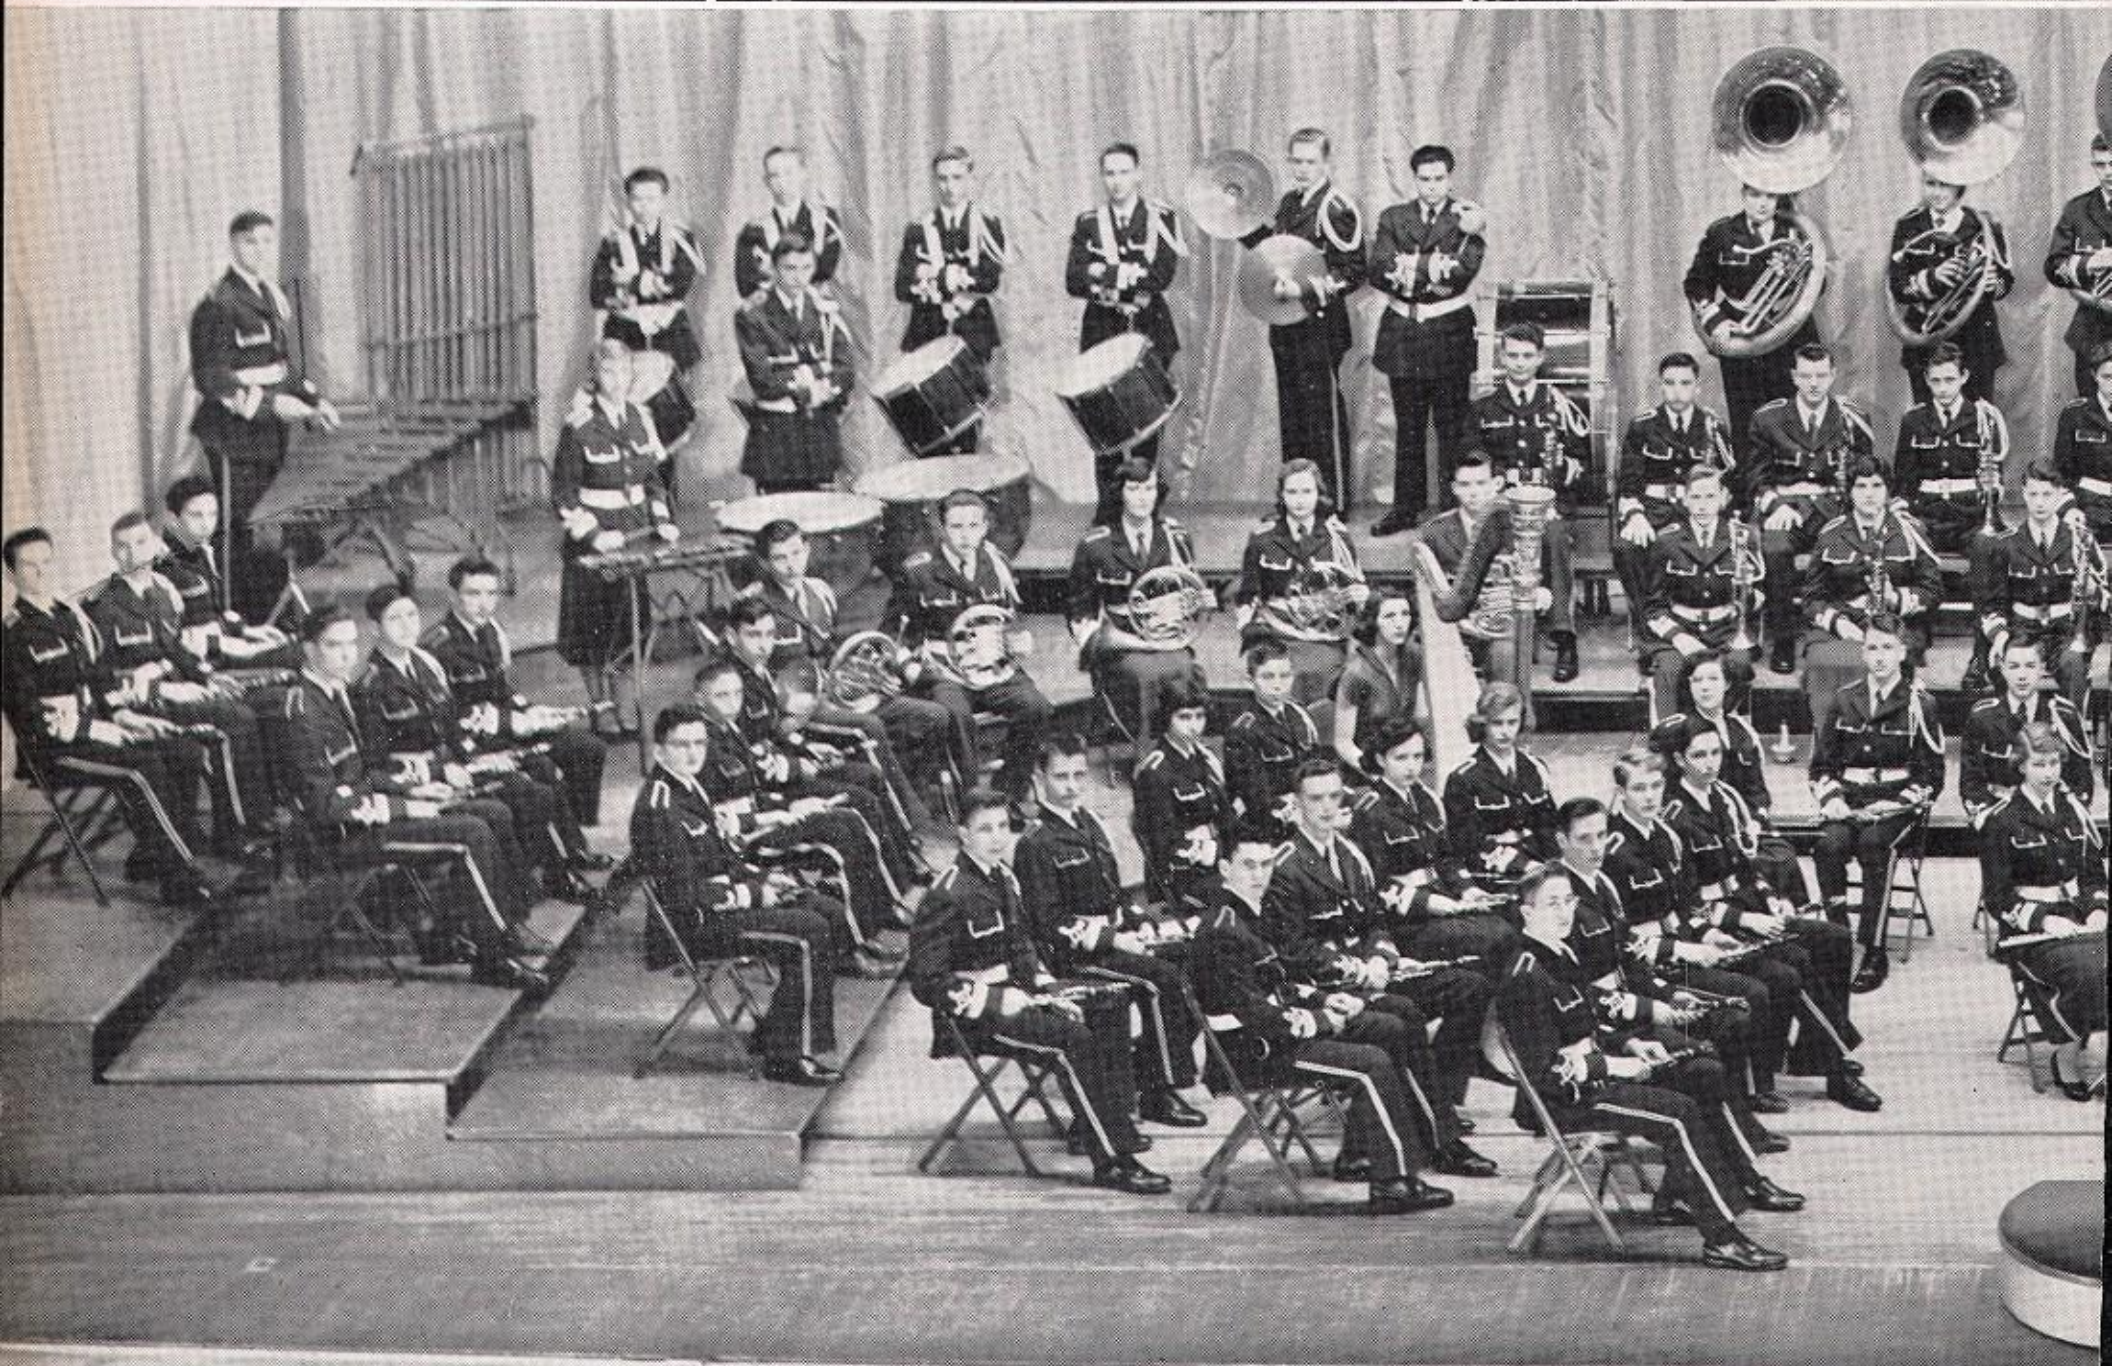

The members of the Junior Masque and Gavel are well trained in the know-how of presenting a good speech. The training that they receive in this club can be applied to almost anything which demands a broad knowledge of these procedures. This club is under the able direction of Miss Berry.

Officers this year were: Henry Kistner, President; Mary Ann Ryski, Vice-President; Pat Merion, Secretary; Natalie Piorkowski, Treasurer; and George Prescott, Sergeant-at-Arms.

Music

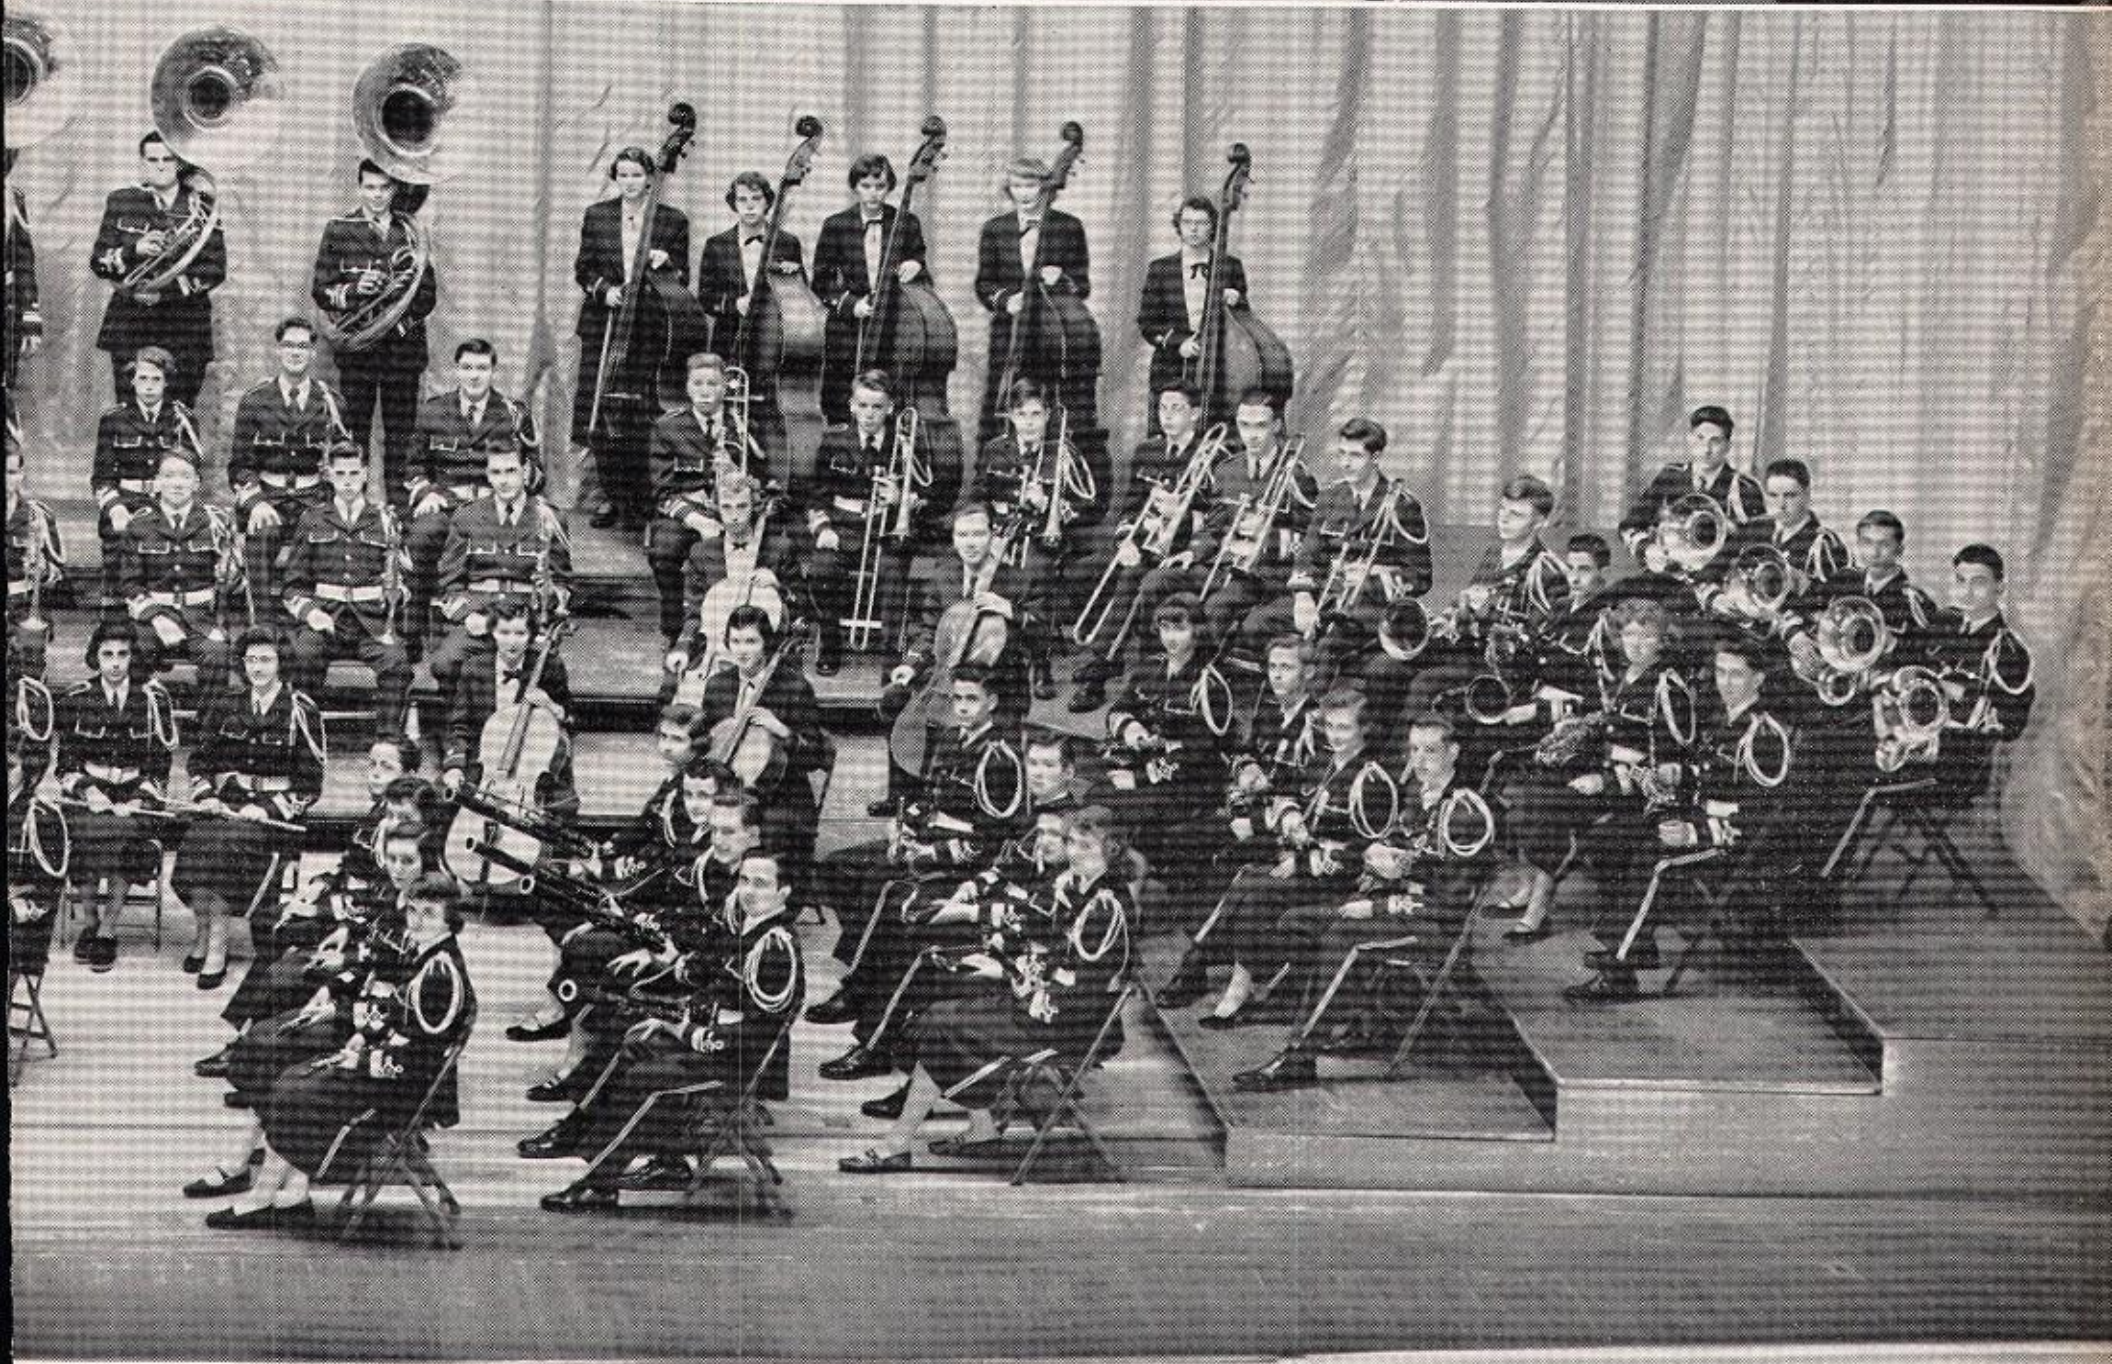

Lead on, Morton

As in past years, this year's Morton Band has done its best to continue the fine service and participation for which it is well known.

This year the giving of concerts, performing at assemblies, playing at football games, and helping with community events can all be accredited to the Band. This organization, in cooperation with the Orchestra, also played for the opera, "The Wishing Well."

Strike Up the Band!

With its fine intonation, technique, phrasing, and excellent interpretation, we can always be sure of a fine performance.

The Band can attribute its fine showing to their able director, Mr. L. M. Blaha.

Aeolian "Knights" and Ladies

Of course no school is complete without a fine choir. We in our school are very proud of the Morton Aeolian Choir, which serves and performs so splendidly.

The members derive much pleasure from belonging to this organization, participating in its social functions, and performing in its singing activities.

This year one of the finest musicales ever was presented during the Christmas season, not to mention the many other fine concerts throughout the year. The Choir, in cooperation with the entire Music Department, also presented "The Wishing Well", an opera by Blodek.

Most naturally we could not expect such beautiful and professional choir music without the expert guidance of Mr. C. H. Kickert.

Top: Our Mixed Chorus

Bottom: Voices of Youth

In the past we have not given much recognition to the Girls' Glee Club, which is doing on outstanding job.

The Glee Club, along with the other vocal groups, Freshmen Girls' Chorus, Mixed Chorus, and Boys' Glee Club, contributed a fine part to the Christmas Musicale.

From these organizations are formed trios, quartets, and other small vocal groups which perform at teas and other school activities.

These groups are also under the direction of Mr. C. H. Kickert.

Golden Chords and

When listening to the Morton Symphonic Orchestra, one can truthfully say that it sounds as good as any one of the famous orchestras ever heard.

Under the capable supervision of Mr. L. M. Blaha, this organization's activities include an annual concert, playing for the opera, senior play, assemblies, and graduation exercises.

Sparkling Notes

Many students learn how to manipulate an instrument without having ever taken any previous instruction. In fact, each member has many hours of practice and hard work to keep up the fine reputation of the Orchestra.

Of course, no group is complete without its social functions, and the orchestra is no exception to the rule.

VARSITY FOOTBALL . . . The varsity Mustangs opened the season with a 6-6 deadlock with the R.B. Bulldogs. Fine passing by Bob Klings to Lescinsky and Konovsky and quick opening plays put the ball on the R.B. 25. After catching a pass from Klings on the 8, Konovsky fought his way to the end zone for the T.D.

The league champs from Evanston downed the Mustangs 21-0. Several times the gridmen were deep in Wildkit territory but were stopped by pass interceptions or fumbles. With second down and seven yards to go for a T.D., the Wildkits recovered a Morton fumble thus ending the Mustang's only serious threat of the game.

After having a 12-0 lead in the third quarter, the Mustangs lost by a 20 to 12 score to the Green Wave of New Trier. Getting the ball on the mid-field stripe in the second quarter, Morton began to roll. After short ground gains, Konovsky caught a pass on the 28. Jecha, Konovsky, and Kocour picked up 4 yards apiece; and then Counihan traveled for the T.D. to make the score 6 to 0. In the third quarter Jecha intercepted a pass on the New Trier 39 and went all the way for the T.D. and Morton's final tally of the game.

The Mortonmen gained their first Suburban League victory by swamping the Little Giants of Highland Park 33-6. Klings opened the scoring in the first quarter by slicing between tackle and end from the 10. After Counihan made a brilliant 53 yard run to the 27, Konovsky carried to the 10. Counihan scored from the ten. Carter made his second P.A.T. to make the score 14-0. The third T.D. came on a pass from Kocour to Konovsky. After fine running by Nicolette, Klings passed to Lescinsky to make the score 26-0. After Evans returned a pass interception 52 yards, Counihan got his second T.D. from the 44. Carter's kick was good making it 33-0.

Morton gained their second straight victory by blanking the Niles Trojans 26-0 before a homecoming crowd at Rockne Stadium. Morton opened the scoring in the first quarter. After a 20 yard pass from Kocour to Konovsky on Niles' 41, Counihan went all the way for a T.D. Carter's kick was good making the score 13-0. Kocourek went 3 yards for the third T.D. making the score 19-0 at half time. Counihan passed to Vokac for the final T.D. making the score 26-0.

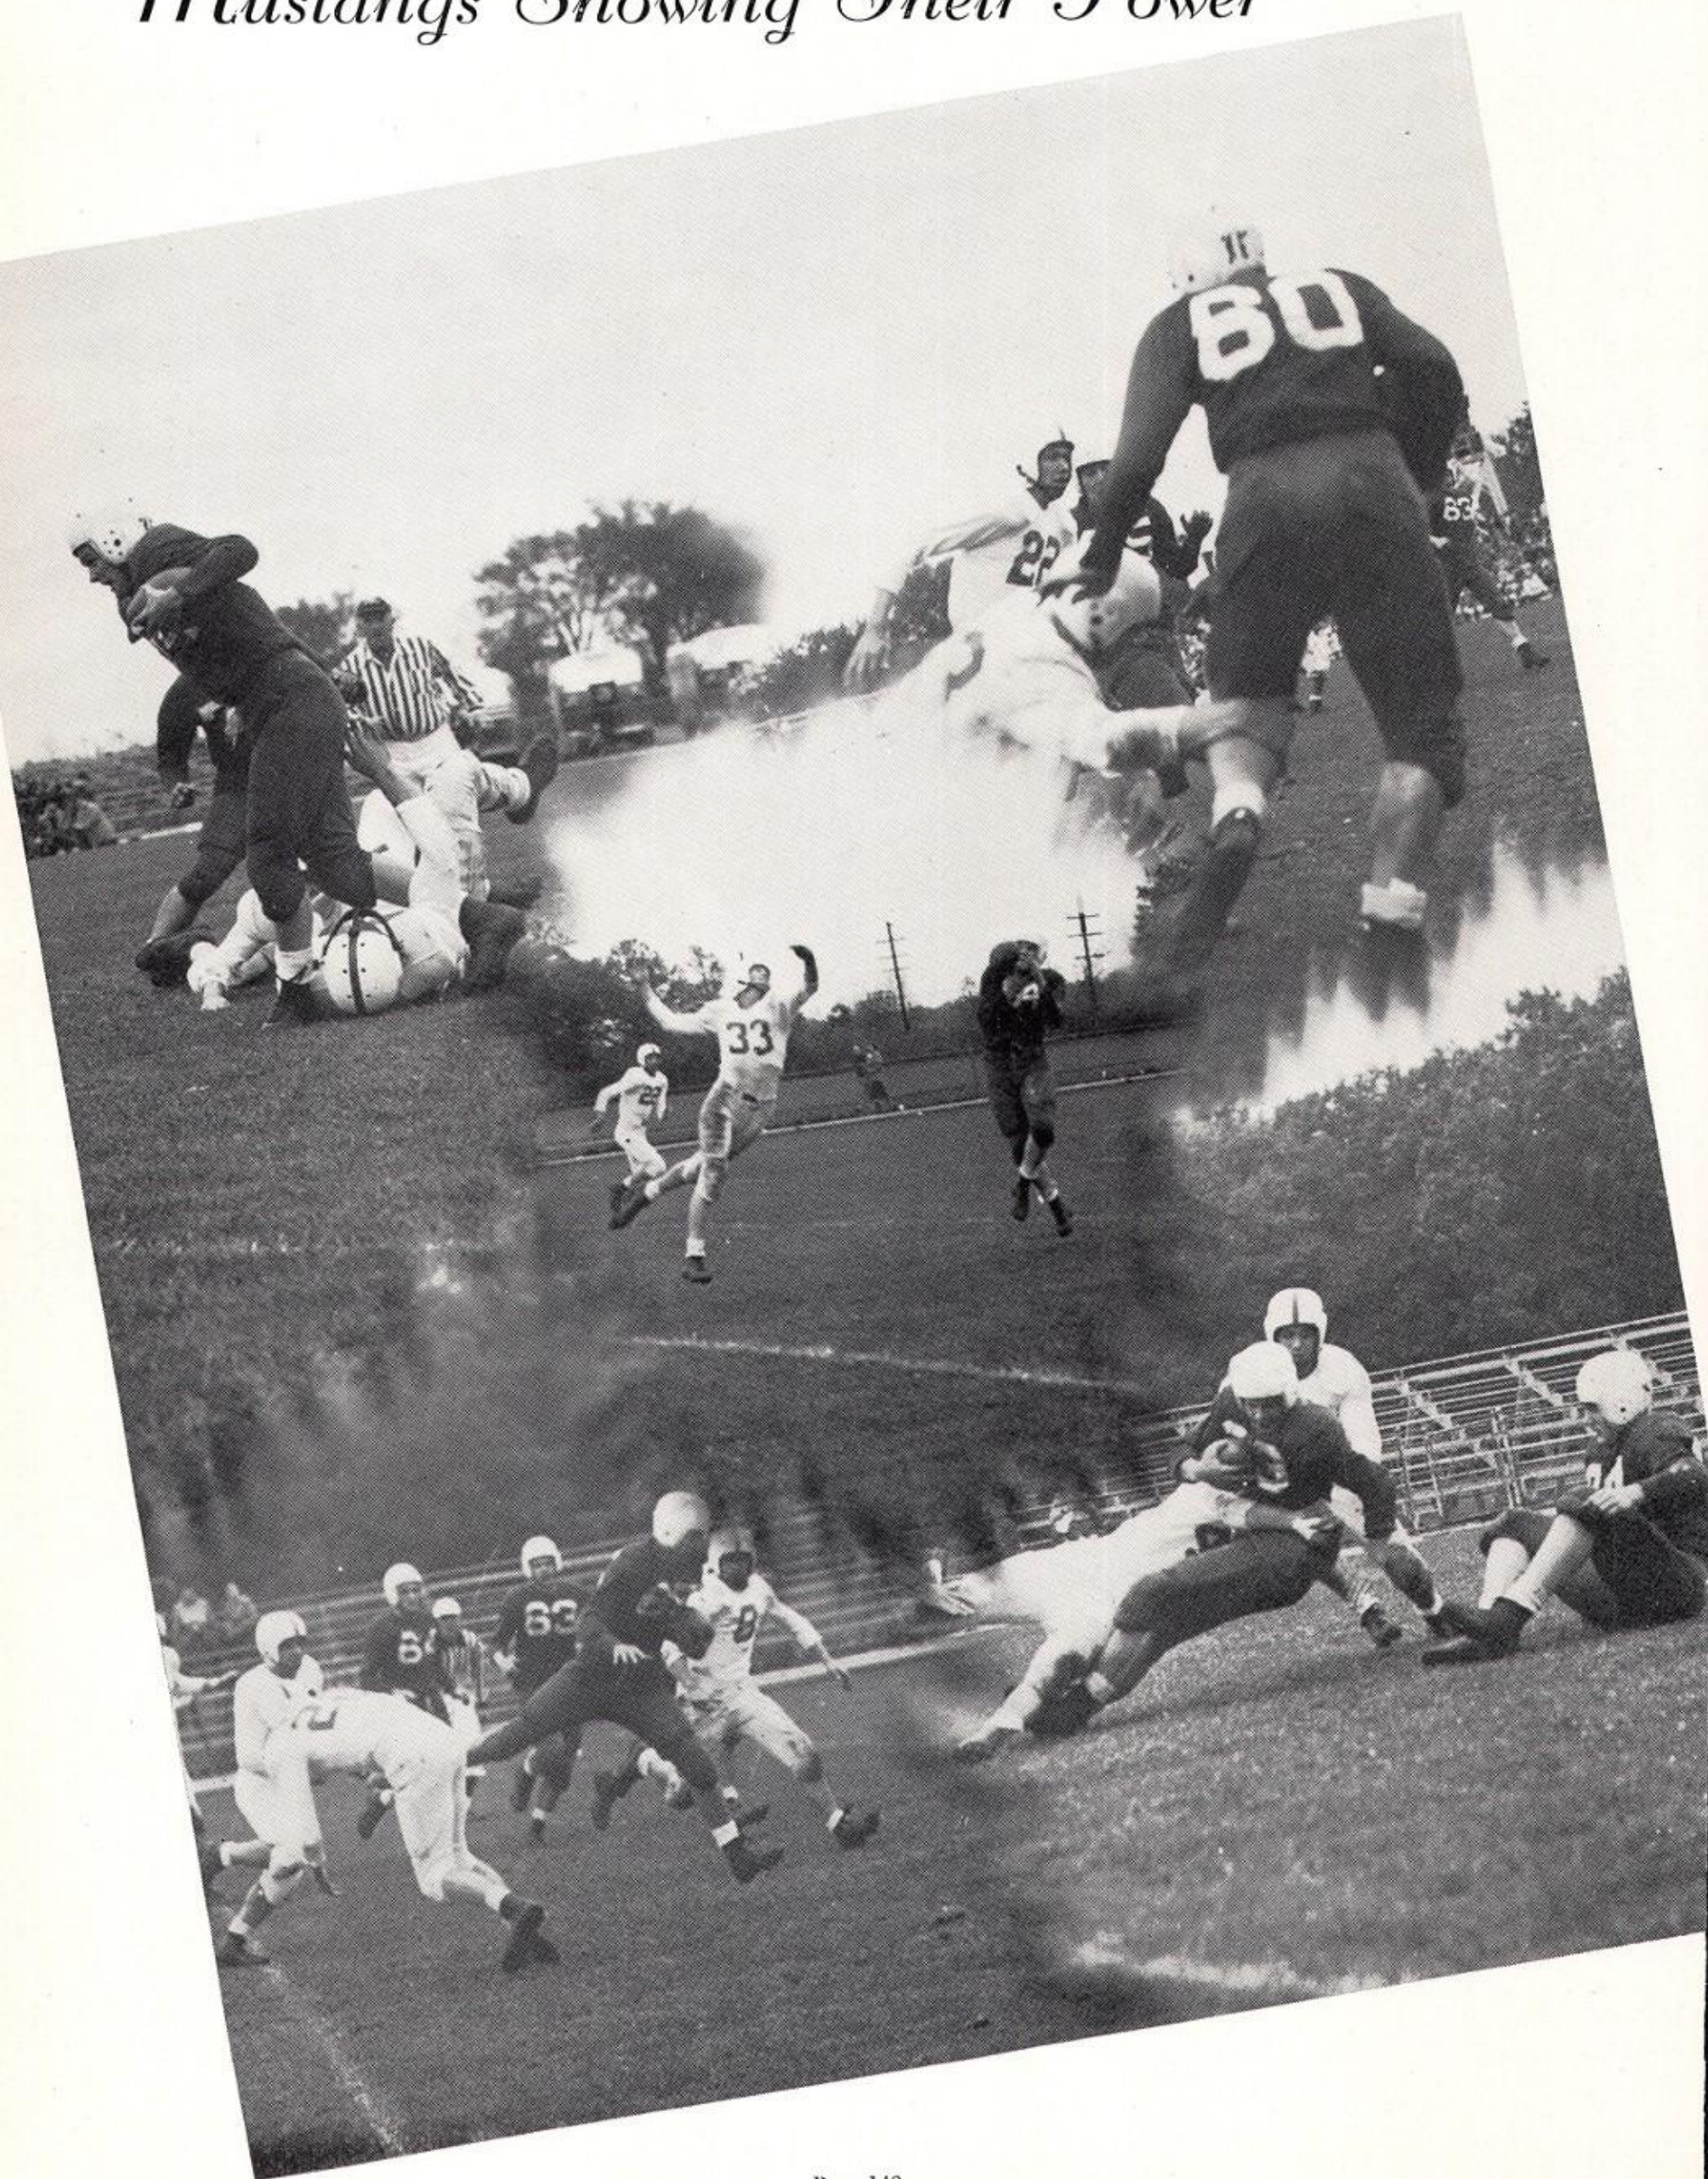

Morton lost a league encounter against Proviso 33-12. Nicolette scored a touchdown for the Mustangs in the second quarter. The drive started on the Morton 35 yard line. He punched through the line from the 9. On a 51 yard pass play from Bob Klings, Don Counihan scored the other Morton touchdown.

The Mustangs lost a close game to Oak Park by a score of 34 to 31 on a disputed touchdown. The game was highlighted by two interceptions by Klings. He ran them back 65 and 70 yards for two of the Mustang's scores. The Mustangs tallied on a pass from Klings to Konovsky on the 44 who lateraled to Counihan. He ran 56 yards for the T.D. Kocour scored on a 33 yard run on a drive that started on Morton's 20. Kocourek scored on a one yard plunge after a drive of 77 yards.

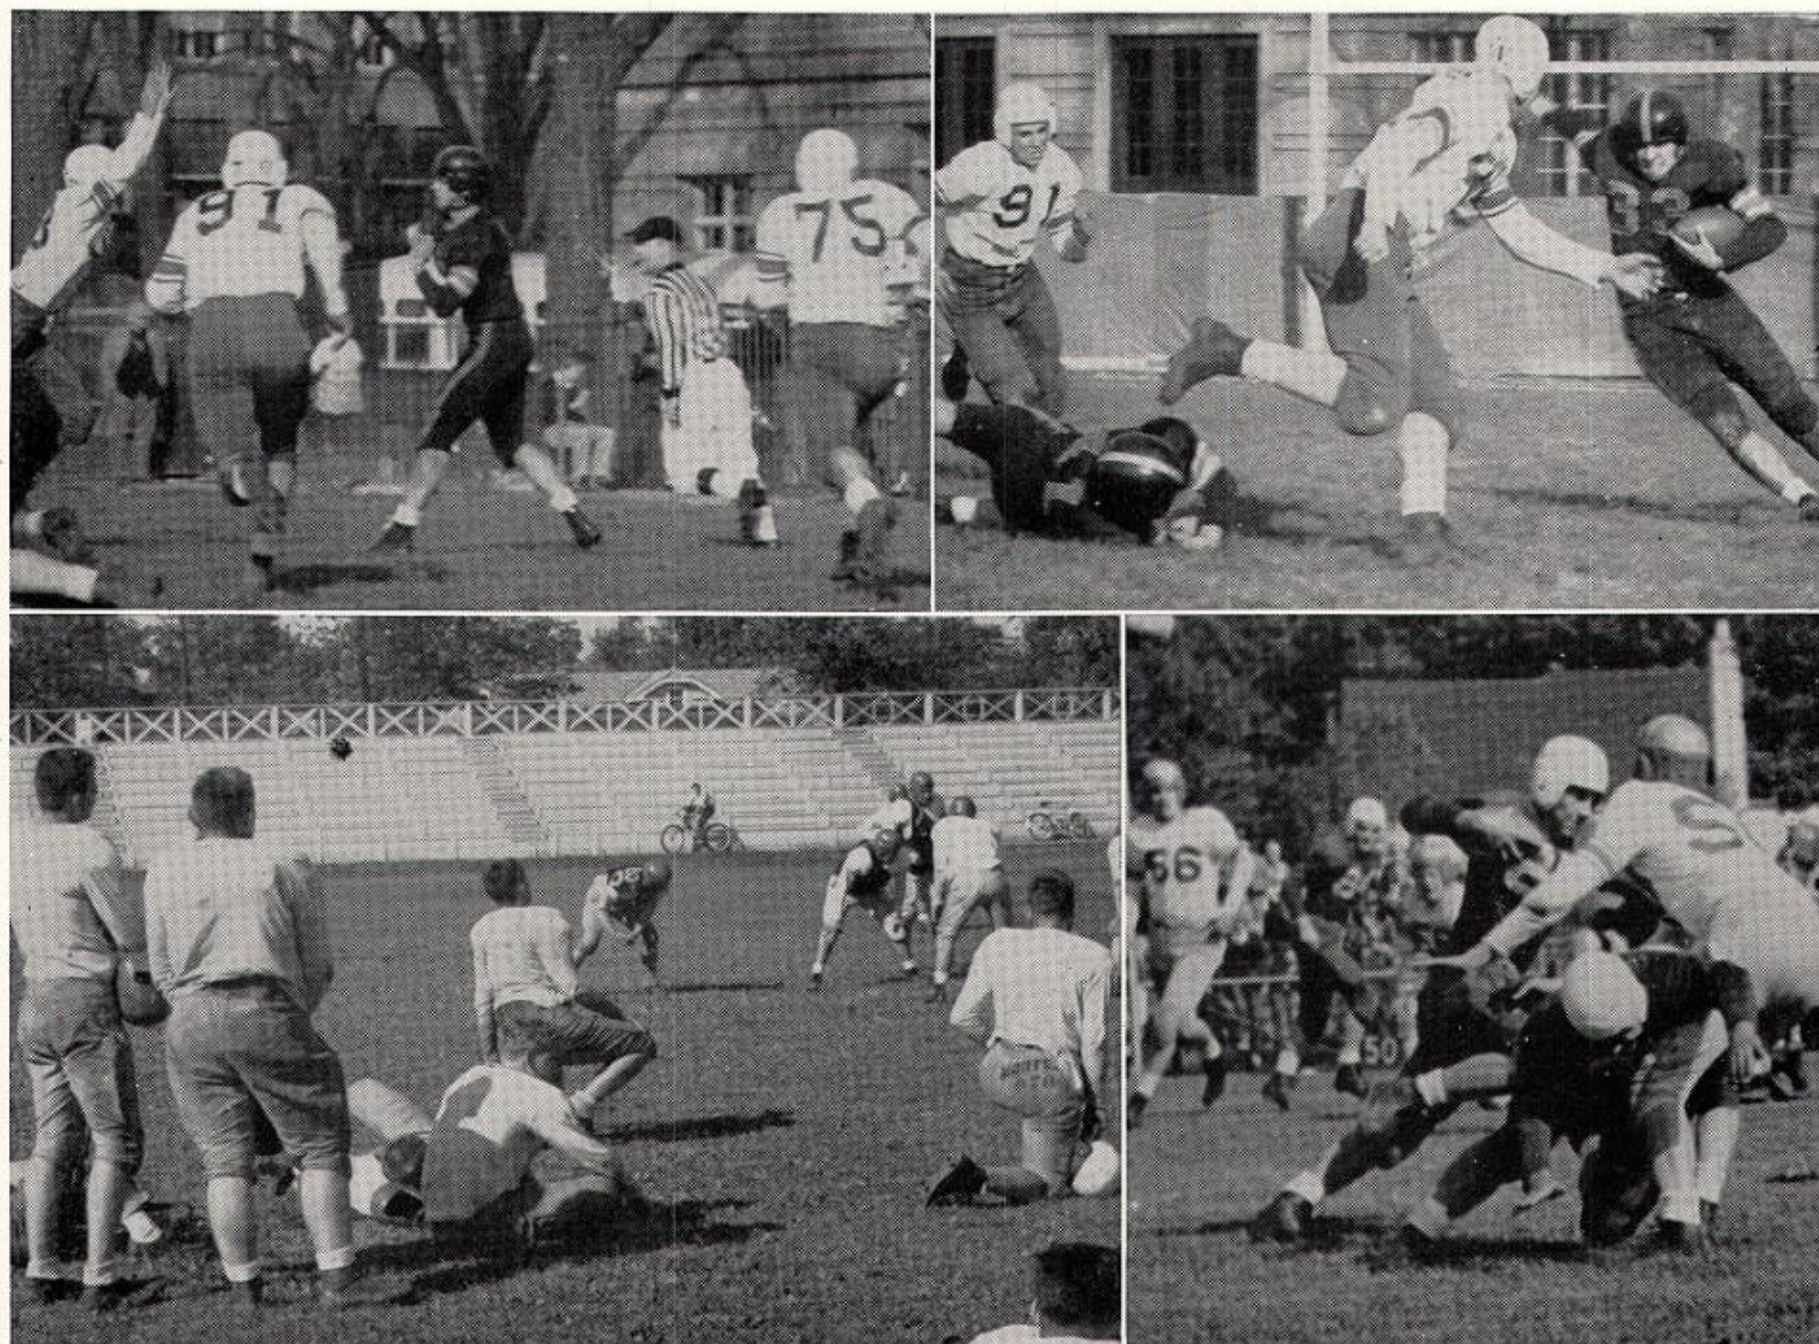

The Mustangs lost the finale of the season to Waukegan on an icy and wind-swept field, 16-8. Morton caught a Bulldog in the end zone in the third period to bring the score to 7-2. The Mustangs scored again in the third period when Counihan spun for a 34 yard touchdown run after Tisci recovered a Bulldog fumble.

Coach Ondrus and Assistant Coaches Hedtke and Pagakis turned out one of the best teams in recent years. The team ended the season with 2 wins, 5 losses, and one tie.

Bottom right: Touchdown bound*

JUNIOR VARSITY FOOTBALL . . . Morton's jay-vees opened the season on the wrong foot by losing to Evanston. Morton lost a touchdown when an Evanston back intercepted a pass in the end zone for a touchback. The final score was 6 to 0 for Evanston.

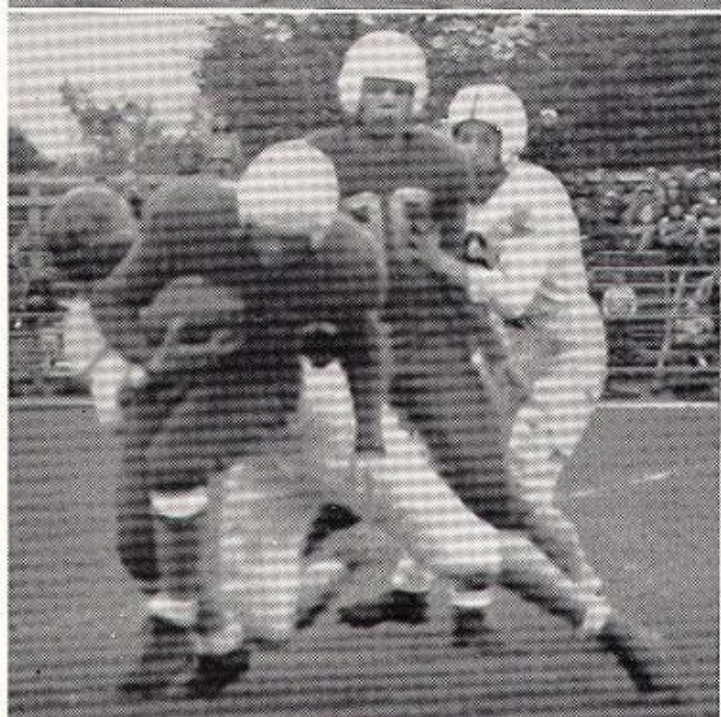

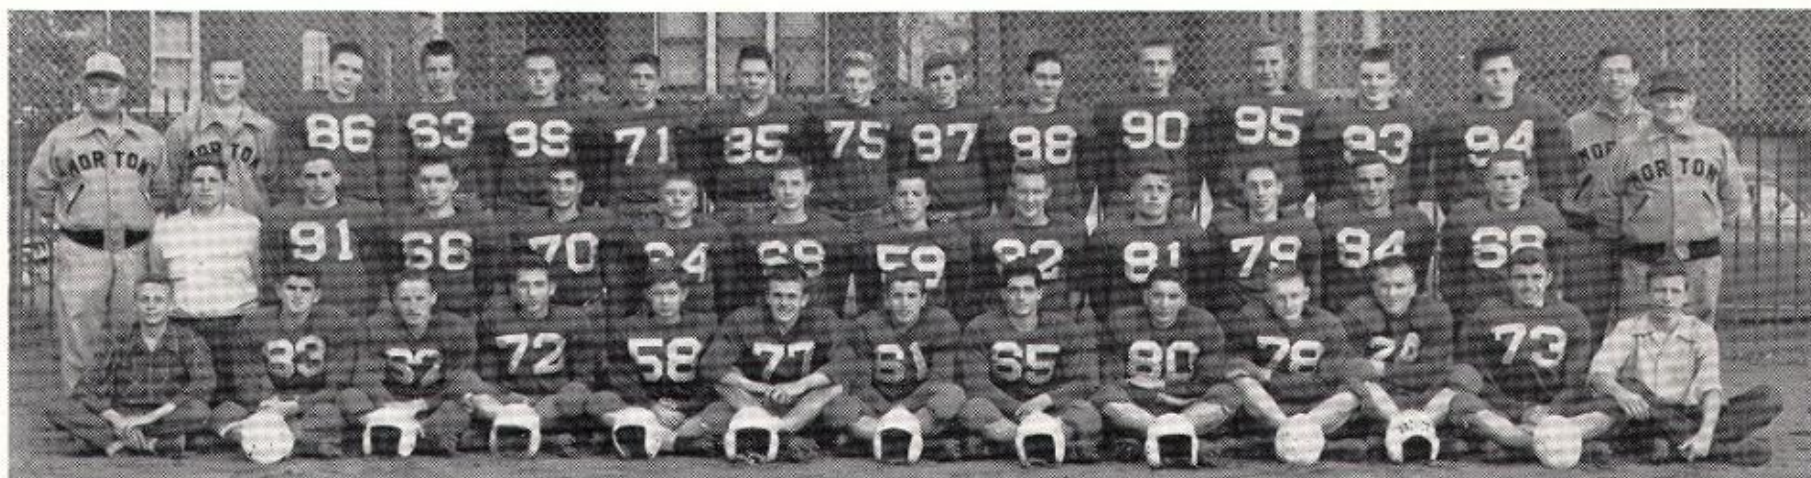

The Mortonmen were victorious over the Green Wave of New Trier with a score of 14 to 6. Morton's first score came in the first period as John Gizynski passed to Vern Wagner for a T.D. Bastyr added the extra point. In the last period Gizynski ran 21 yards for a T.D. Bastyr again added the P.A.T.

The Junior-Mustangs were tripped by Proviso by a score of 19 to 13. All of Morton's scoring came in the first half. The Jay-vees took the opening kickoff and marched 70 yards with Spagnola carrying over. The second tally came when Bill Roeder's pass was batted into the air and Jim Hyjan caught it in the end zone.

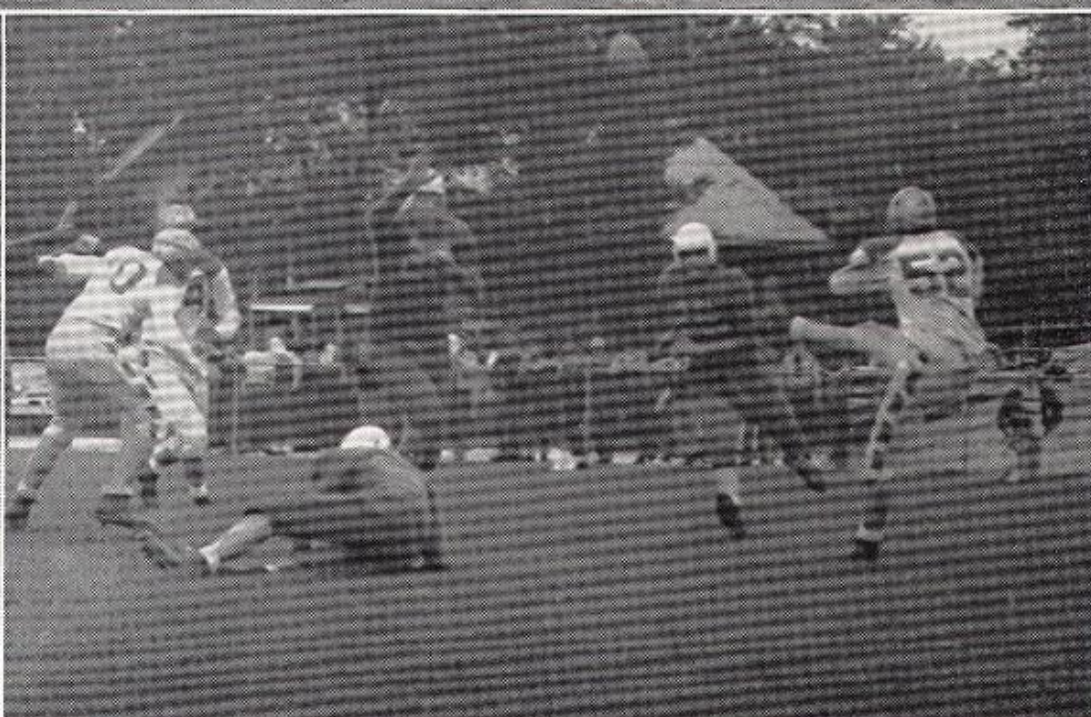

The Mortonmen lost to Oak Park 18 to 13. The Jay-vees' first score came in the first quarter on a pass from Al Spagnola to Ed Perry. Perry caught another pass in the third period from Spagnola. Roeder passed to Perry for the P.A.T. Morton led until 18 seconds were left in the game.

Coach Hedtke's Junior Mustangs ended their 5 game schedule by defeating Waukegan 19 to 6. Morton's first score came in the opening play. After receiving the kick off, Ed Krauz faked an end run and threw a long pass to Vern Wagner. He went the remaining distance for the T.D. Ken Novander threw a long pass to Perry for another T.D. Al Spagnola started on the Morton 45 and raced along the sidelines for 55 yards and a touchdown. The well-coached team ended with a record of 2 wins and 3 defeats.

4-4 Season For Fenclmen

Bottom: Head Mgr. Norman, Tisci, Woods, Basovich, Malck, Haupt, Vicelli, Brancecki, Ferrini, Kochanski, Morrissey, Janecek, Mgr. Stanek

FROSH-SOPH FOOTBALL . . . The Ponies had one of their best seasons in the last few years. They finished the season with a 4-4 record. Morton opened the season with a decisive victory over the R-B Bullpups 7-0. After a down field drive by Zajicek, Napolski, and Russell; Melwid scored from the 16 on a pass from Tisci. Scholz booted the P.A.T.

In the next three contests the Fenclmen fell in defeat to the best three teams in the league. In the contest with Evanston, we suffered our first setback 32-6. Tisci threw one to Melwid for the only Pony score of the afternoon.

New Trier's Green Wave rolled over the field to swamp the underclassmen 27-6. Again the combination of Tisci to Melwid drew blood, and Scholz made the conversion.

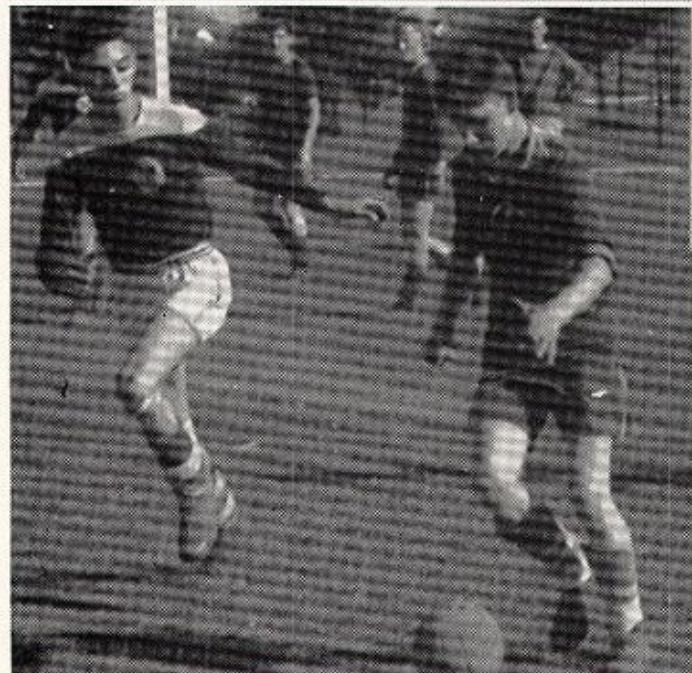

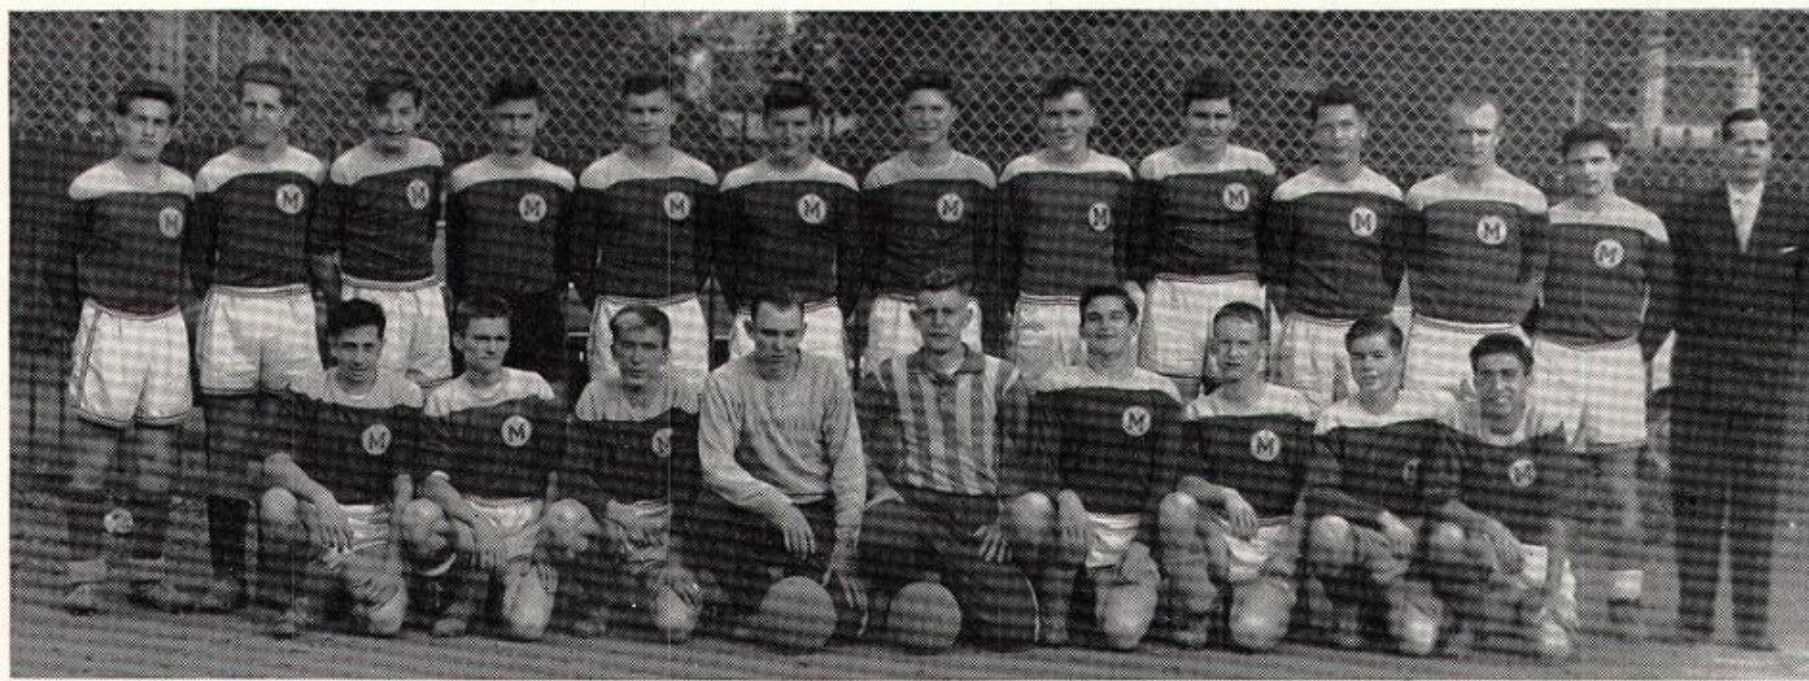

The next Saturday the Fenclmen shut out Niles 20-0. Tisci, getting off to an early start, ran the quarter back sneak to score 6. In the second half, Tisci flipped it to Zajicek who ran it for 50 yards. Tisci and Melwid got together again to mark up the last T.D. Scholz put two through the uprights making the score 20-0.

The Ponies made the Proviso Pirates walk the plank by trampling them 27-7. The first of the many T.D.'s was scored on a run of Zajicek's. For the next two T.D.'s Tisci passed to Melwid and Zajicek. The last hope of the Pirates sank after Russell's 65 yard run to the goal post. Scholz completed three P.A.T.'s in the game.

Morton met defeat at the hands of Oak Park 21-6. The only score on the light side of the record was made by the Tisci to Melwid combination which scored half of the team's T.D.'s.

In the last game of the season Waukegan blanked the Ponies 6-0.

Soccermen Win League Title

Top: Linartes, Remeickis, Turek, George, Miller, Kropacek, Vyrier, Svornik, Siner, Lemac, Kostelancik, Butara, Coach Jahelka

Bottom: Lurrie, Petrigala, Nudera, Kopacek, Yochem, Pilot, Hempstead, Trehubenko, Tsolinas

Left: George Moves In

Right: Butara and Pilot on defensive

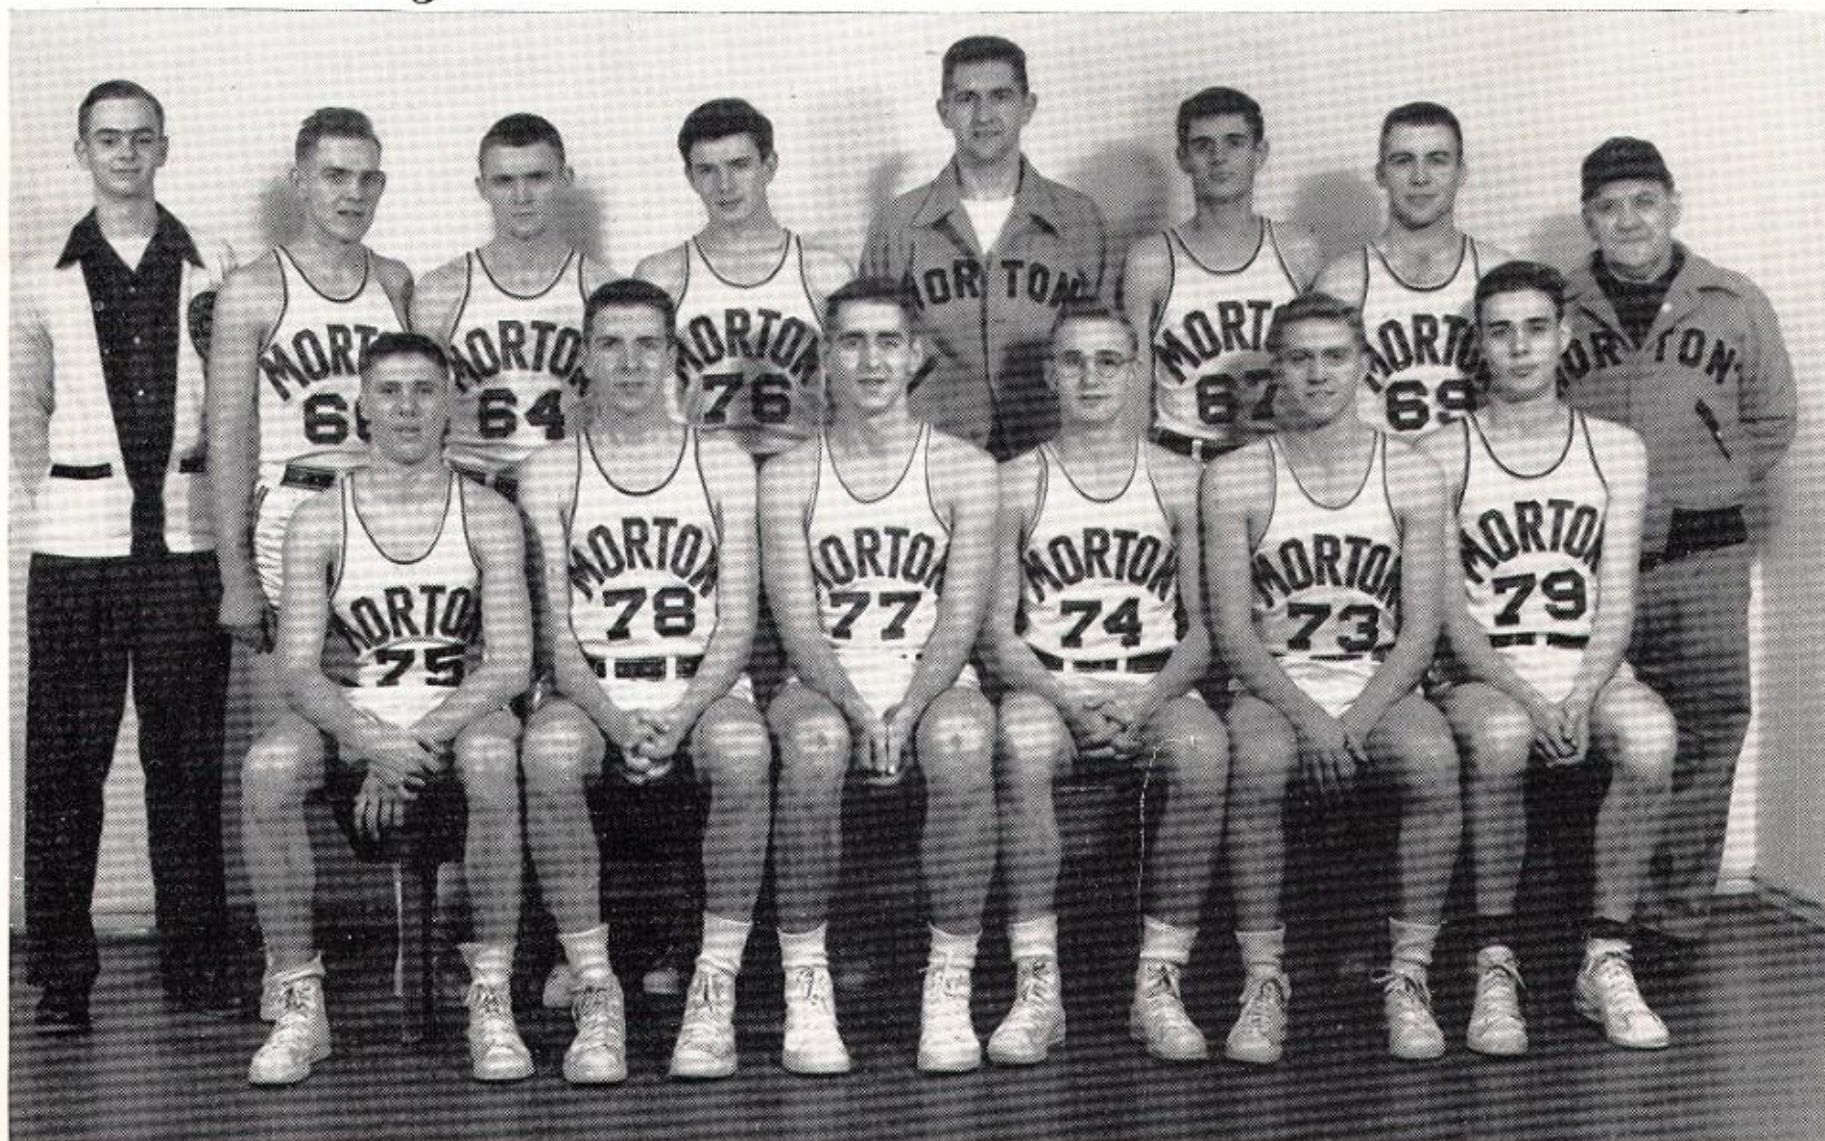

SOCCER . . . Morton's soccermen opened the season by whitewashing Schurz High 3-0. Charles George booted the first goal in a close first half. Bob Butara scored the second goal, and Tom Remeickis scored just before the end of the game.

Lake Forest was the next victim to be trounced by Morton's Booters. Early in the first half Tsolinas scored the first goal. Afterward Tom Remeickis scored 2 successive goals, Jay Linartes put one in, and then Remeickis added another. Butara added the sixth, and Emil Kostelancik scored a penalty shot. Remeickis later scored his fourth of the day making the final score: Morton 8; Lake Forest 1.

Morton next defeated University High School of Chicago on a freak goal, 1-0. Pete Tsolinas booted the ball off an opponent's head and into the goal. Morton then played a scoreless tie with Crane. After defeating Lake Forest 3-1, the team lost 1-0 to a strong defensive Oak Park team.

The Soccermen next romped over the University High School of Chicago defeating them 3-0. Linartes put in the first goal in the first two minutes of the game. Richard Kretsch and Mike Petrigala scored the other two goals. After losing to Lane 1-0, the Soccermen, led by the brilliant playing of Tom Remeickis, who led the way with five goals, downed Oak Park, 5-0 causing a playoff. Behind Coach Jahelka's fine leadership, the team downed Oak Park again 1-0. Fine defense by Pilot, Miller, Kropacek, and Nudera allowed only three shots at goalie Yochem.

Mustangs Set Record

Top row: Mgr. Stelk, Tuma, Counihan, Kropacek, Coach Vopicka, Larimer, Eubler, Trainer Shack.

Bottom row: Caldwell, Roy, Jecha, Simek, Bryant, Gariffo.

VARSITY BASKETBALL . . . The 1951-52 edition of Coach Jim Vopicka's basketball team kept up the extremely high tradition set forth by last two years' teams. The Mustangs were rated low by the experts in pre-season predictions because the entire first string graduated and part of the second, so they could not see how this team would live up to the previous year. But, they neglected to consider the fine coaching the Morton squad would get and that Morton's second string could have played first string for many of the teams.

In review of this year's players we had a fine five for basketball. "Rules" Roy and "Hook" Jecha are among the smartest and most alert players in the state. Roy's nickname comes from the fact that Roy has almost memorized the rule book and on occasion has quoted them to the officials. Bob Bryant is the calmest player on the Morton squad, and he is quick and alert which has enabled him to steal many an opponent's ball. Dick "Earl" Caldwell is a good rebounder; and, although he did much more floor work than shooting, he is a sharpshooter. Caldwell has the least number of fouls on the team. "Sim" Simek is a fine, smart ball handler and an accurate shot; he completely filled the vacancy in the guard position left by Bragiel. The team was backed up by a fine bunch of subs: John Gariffo, Dick Kropacek, Ed Lindroth, Ed Zelenka, and Jim Larimer.

Morton had a wonderful season even though they met some strong opponents. Morton won both of its games from Oak Park, which in itself would make a good season. In the first encounter with Oak Park the Mustangs won a 57-53 triumph; and in the second Morton smothered Oak Park 51-47, one of the greatest games of the season.

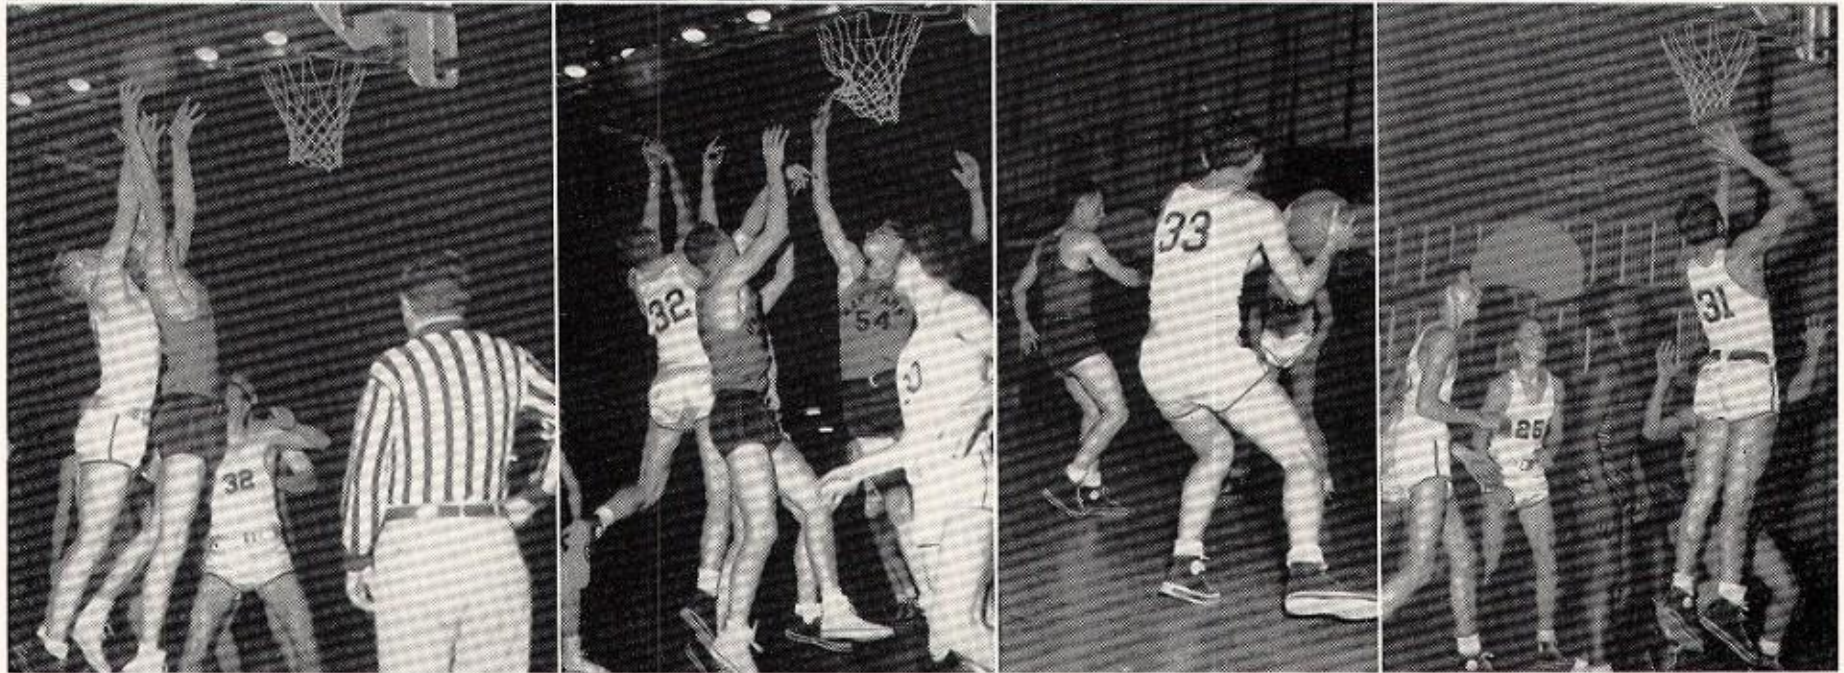

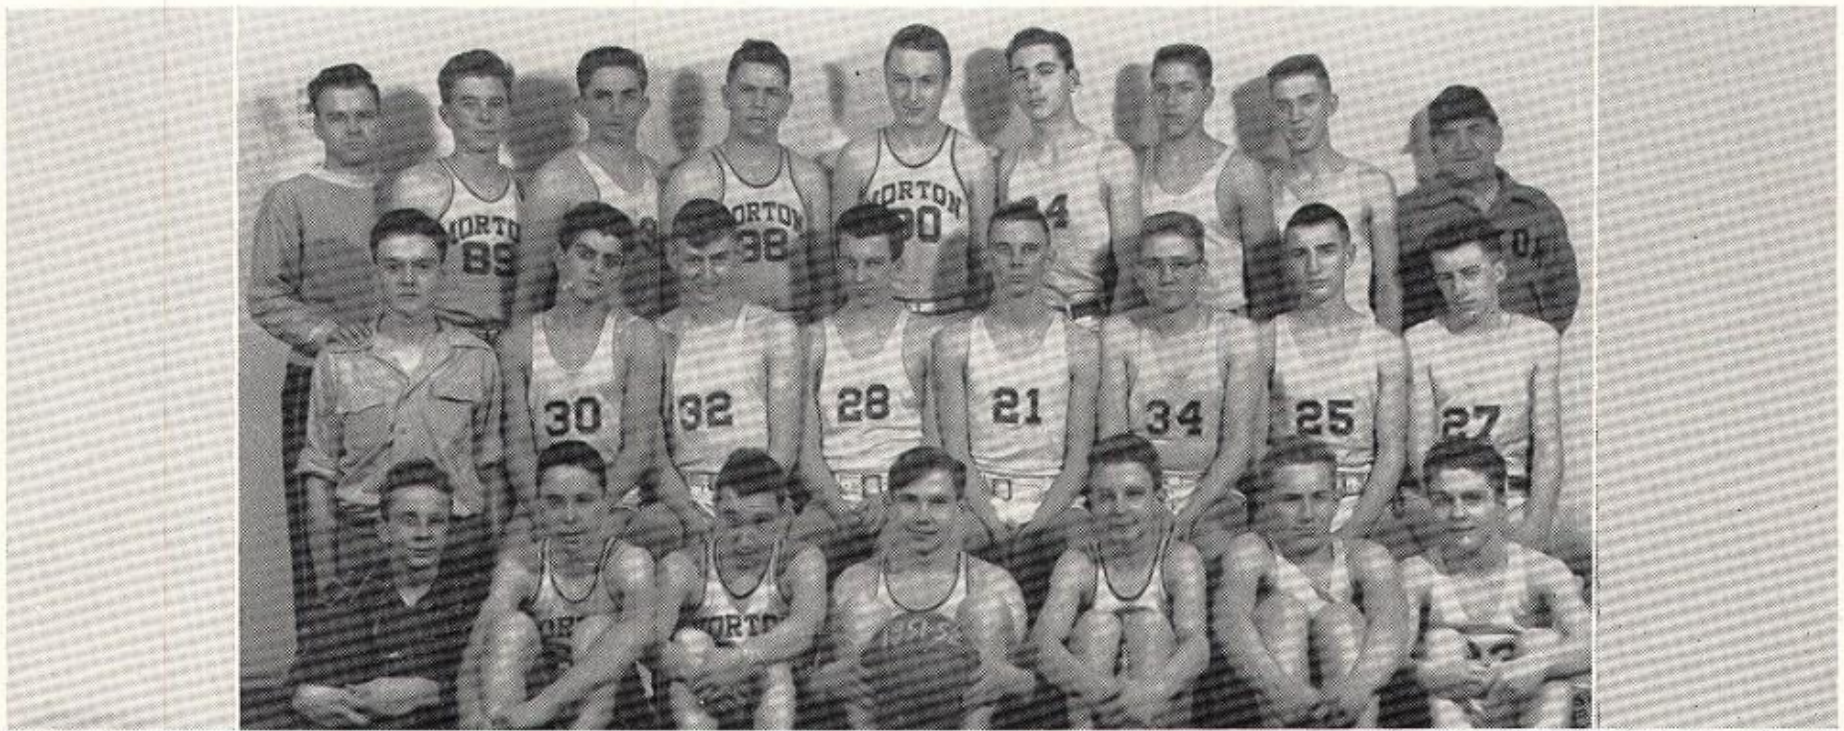

The Mortonmen split their games with New Trier, which was one of our smartest opponents. We won a very close but decisive victory 46-45; but in the second clash we were edged out 61-62, ending our winning streak. At long last we were able to avenge ourselves with Hinsdale for their freak victory over us in the regionals last year. We trampled them 63-42.

In our last encounter we were squeezed out of the regionals by LaGrange High, which was the champion of the West Suburban League.

The Mustangs secured the Suburban League championship for the third consecutive season, and they also set a new league record with 34 consecutive victories in league competition.

In totaling up we see that we scored 1232 to our opponents' 914 for a record of 18 wins and 3 losses. Two of the three losses were by the slight advantage of only one point, and the other loss was by 6 points. Ron Jecha lead the team in scoring with a total of 354 points for a game average of 16.9 points. He scored the most for one game having 32.

FROSH-SOPH BASKETBALL . . . This year's Frosh-Soph team had a victorious season having 16 wins and 5 losses and finishing second in the Suburban League. After opening the season with a 55-38 win over the R.B. Bullpups, the Ponies started league play by defeating Waukegan 45-44. Next Morton lost to the Juniors of Marshall High School 76-40. Then the Ponies lost 46-45 to the Evanston Wildkittens, who won the Suburban League title.

The Frosh-Soph team then went on a four game winning streak. After defeating Highland Park 61-40 with Novak scoring 11, the Ponies led by Jakab's 17 points beat Oak Park 42-41. With Tisci hitting for 12 points, the team defeated New Trier 55-39, and next won over Proviso 35-30. The team then lost an exciting game to an underrated Niles team 40-39. Starting the second round of the season, the Ponies ran over Waukegan 51-37. Playing on the Evanston floor, Morton lost 50-45 to the Wildkittens. Then the Ponies got a decisive victory over Highland Park 58-41 with Melwid collecting 23 points.

Mermen Swept Under

SWIMMING . . . Morton's varsity swimmers opened the season in fine fashion by downing Steinmetz by a score 38 to 28. They then got towed into a whirlpool, losing to Niles, Thornton Fractional, Highland Park, Harrison, Evanston, and Oak Park. The scores of these meets were held up by the fine swimming of co-captains Neil Barta and Bruce Novark and the diving of Pollack and Shultz. Rank, Gavin, and Bozis also helped to total up the points. The mermen drowned Argo for their second win by the score of 56 to 10. The swimmers hit a tidal wave, losing to New Trier, Thornton, Niles, Thornton Fractional, Waukegan, and Proviso. The tankmen closed the season with a final win over Argo, 51-15.

The Frosh-Soph swimmers defeated Steinmetz 40 to 19 in their first meet. After losing to Niles, they dunked Thornton Fractional 56 to 19. The team defeated Harrison 39-26 and then lost to Highland Park, Evanston, and Oak Park. The Frosh-Soph defeated Argo twice during the season by runaway scores of 44-4 and 52-5. After not doing too well against New Trier and Thornton, the swimmers came back strong, defeating Niles 37-28 and Thornton Fractional 38-37. Over the season The Frosh-Soph swimmers were led by R. Schnulle, Stepanek, Pecan, Kozelsky, Beranek, and Schultz in totaling up points. Eddie Schultz took top honors in diving competition in the Suburban League. He totaled up 68 points doing the front layout, one-half twist, one and a half somersault, and the full gainer dives. During the season he took seven first places and one second for the Frosh-Soph, and four firsts and two seconds for the varsity in 13 meets. Coach C. L. Bond can look forward to next season when promising sophomores as Pecan, Bannon, Schultz, R. Schnulle, Stepanek, and Monoco move up to the varsity.

Dear June;

can. Remembers the
good days in English B.

WRESTLING . . . Morton's matmen did not do too well this season as far as a won and lost box score goes. As a matter of fact, they lost all of their matches; but they did gain a great deal of experience.

In the opener of the season, Novak and Konovsky won on points; they were the only Morton-men that met any success. The second meet was the best of the season in which Carrigan won on points; and Konovsky, Peters, and Hempstead, in the first match of his career, pinned their men. The next encounter, Waukegan, walked over us with a score 26-9; our honors were won by Konovsky, Novak, and Ross. Against Wheaton, Peters, Novak, and Konovsky downed their men for five points each.

Proviso trampled our team 36 to 13; Calumet followed suit with another win, 44-7. In the meet with Thornton, Savaglio and Big Bob won on points. New Trier hit us with a conclusive victory, 32-8. The only successful members of the Morton squad in this meet with Evanston were Pochyly and Bob Konovsky.

Morton put up a reasonable showing against LaGrange since they only lost 24-15. In the last battle with R-B, Blalock, Peters, and Novak won while Hempstead tied; Konovsky did not wrestle.

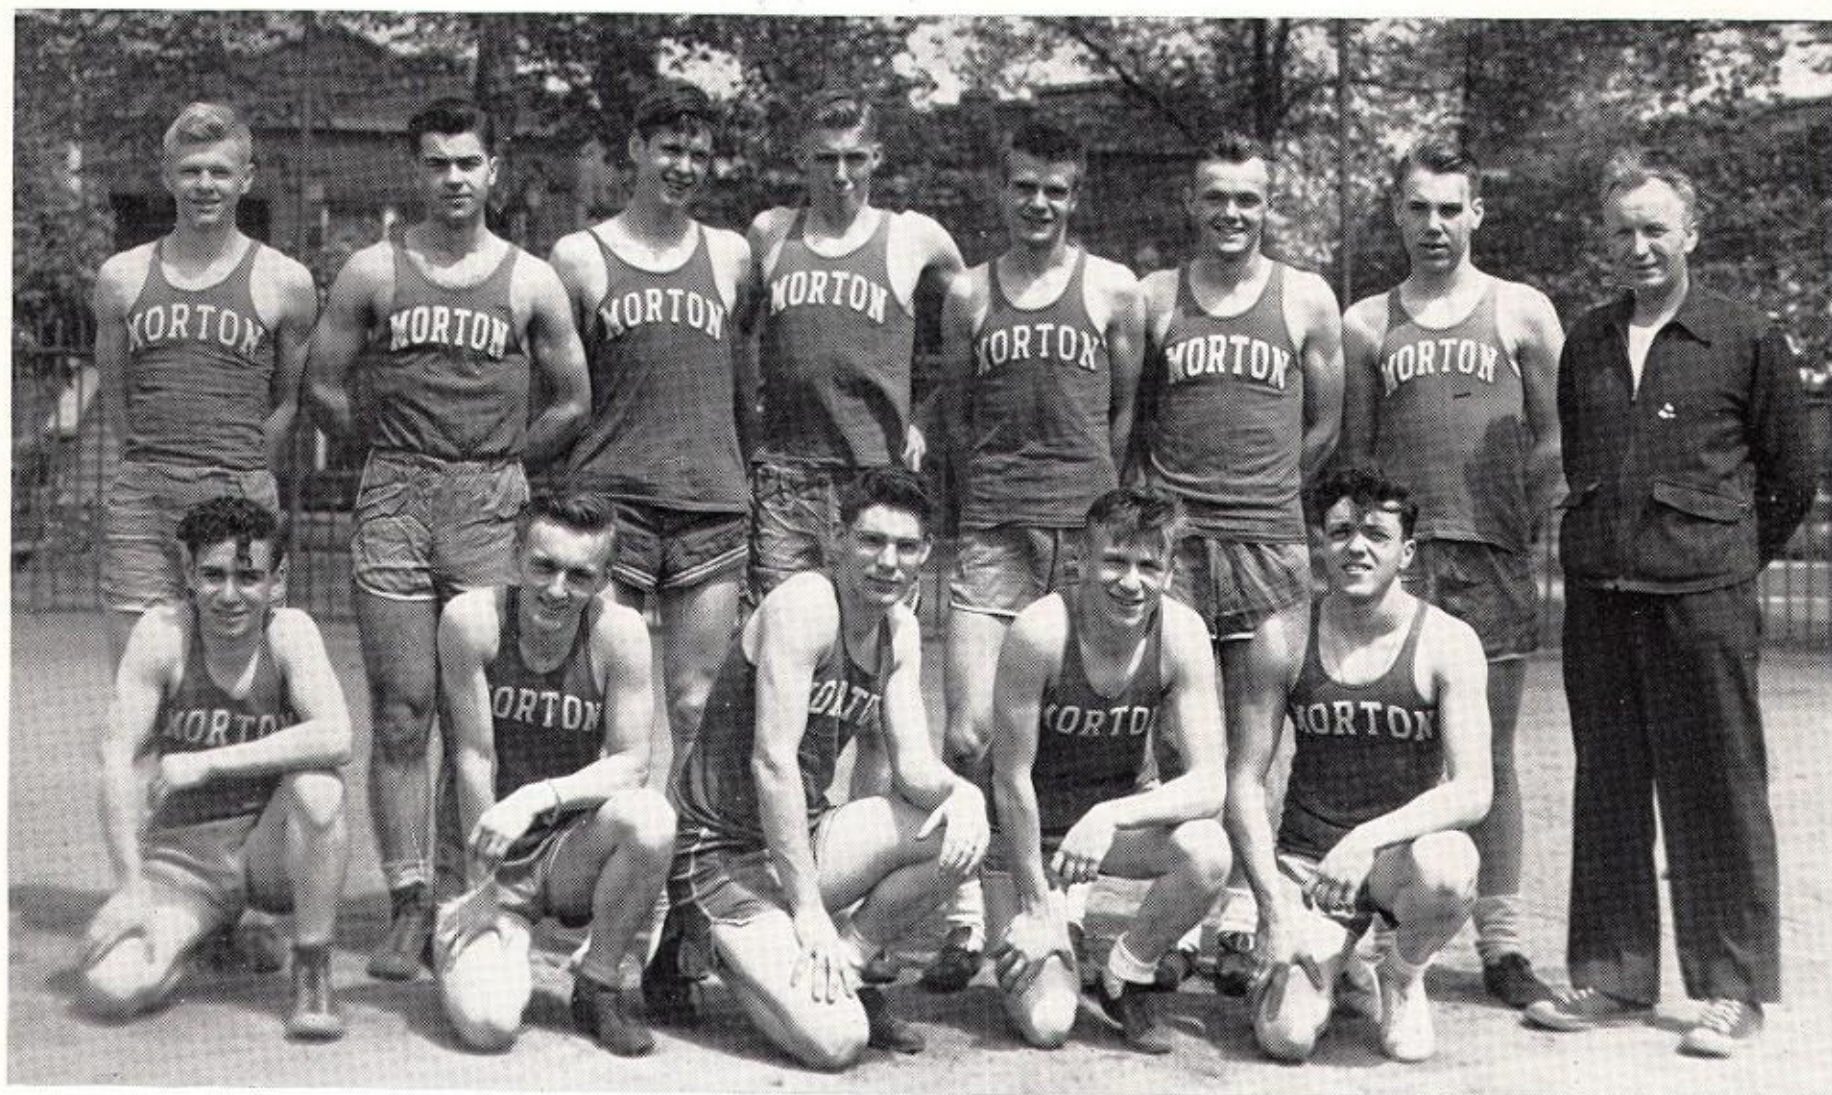

One-half of the Morton varsity squad was composed of underclassmen, namely: Blalock, Soloman, Powell, Josefik, Hrdlicka, Vicelli, Bajovich, Savaglio, and Carrigan. Wrestling varsity as these boys did, taught them coolness and the holds that will make a fine team two years from now.

Novak and Hempstead did very well for themselves considering it was only Hempstead's first season and Novak's second. Konovsky, Novak, Peters, and Pochyly, all of whom are seniors, did the majority of the team scoring.

Don Pochyly came through in the sectionals showing his hidden ability by taking second in the 165 pound division. Bob Konovsky, who won the state heavyweight championship last year, took second this year in the statewide tournament. Bob suffered from a cold most of the season, but he still was able to score 42 of the team's 118 points. Bob has been wrestling all of his four years at Morton and has lost but one match, this year's heavyweight championship match.

Harriers Come In Ahead

Back row: Lescinsky, Benes, Taucher, Schmeltzer, Drefs, Mayerhofer, Folgers, Coach Kudrnovsky.
Front row: Fulgaro, Kronquist, Karpiel, Jendrysik, Cacini.

CROSS-COUNTRY . . . This year the Varsity Harriers won two meets while dropping one and having one other rained out. The team was led by some varsity men returning from last year's squad. These included: Joe Males, Ron Bezouska, Albert Baas, Laddie Kosmal, Bob Caithamer, Don Farrell, Vince Capone, and Chuck Tuma. Some new men on the squad helped out also.

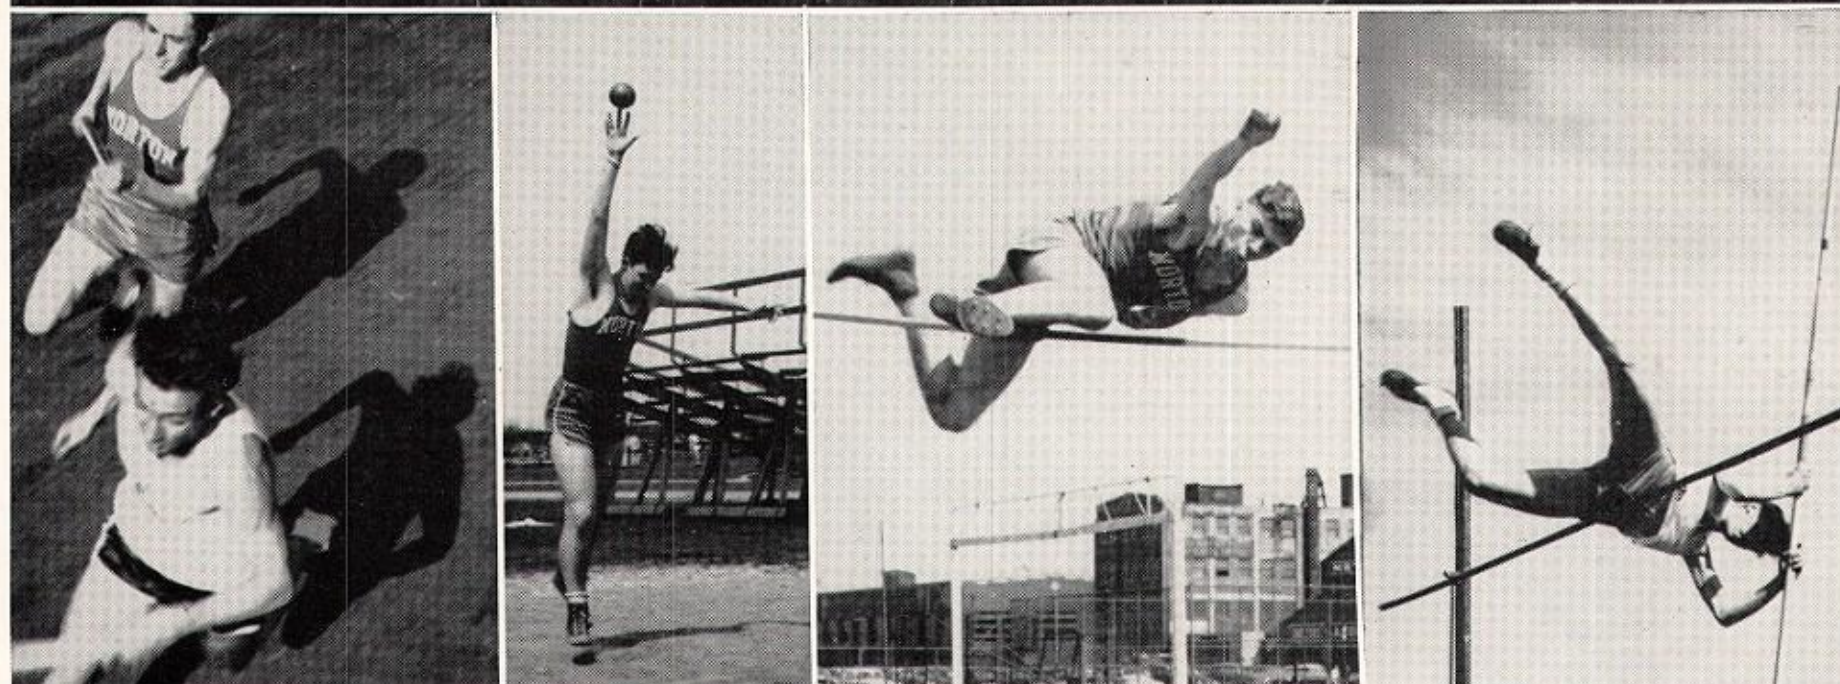

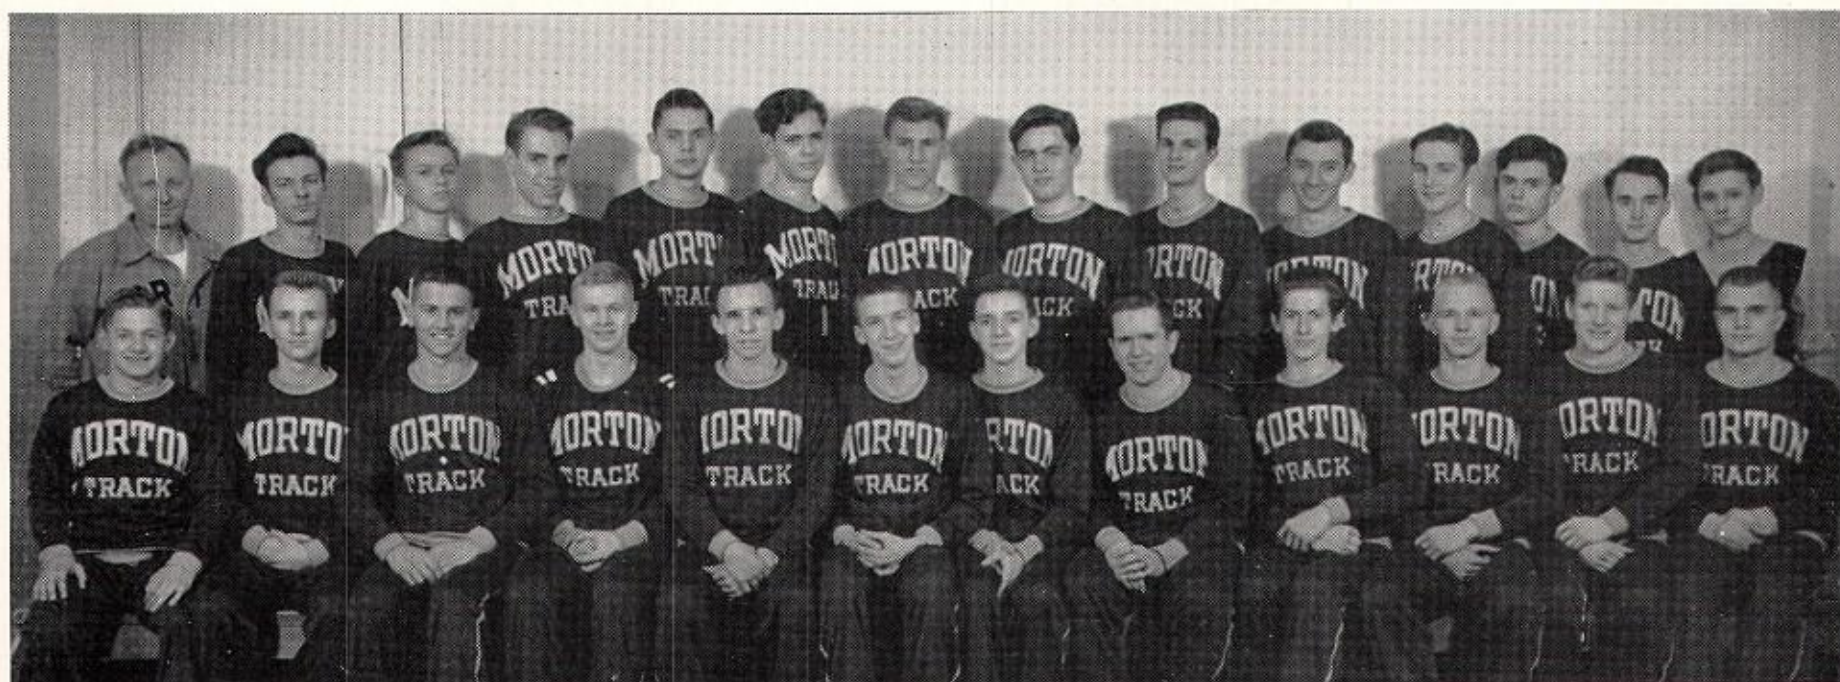

In their first meet of the season, the Varsity Harriers lost a close one to Oak Park 29 to 27. The winner of a meet is the team having the lowest score. Joe Males, Ron Bezouska, and Chuck Tuma came in in that order for Morton. In their next meet against Austin, the varsity won 21 to 35 with Males, Bezouska, Caithamer, and Tuma scoring in that order.

In their next meet against Oak Park, Morton's cross-country teams made history. It was the first time in Morton's history that both the frosh-soph and varsity beat Oak Park. The varsity came in in this order: Males, Bezouska, Kosmal, Caithamer, Kotek, and Baas. The score was Morton 23, Oak Park 35. The trackmen were the winners against Austin by the score of 21 to 35. A meet with Steinmetz was rained out.

The frosh-soph took a win in their first meet against Oak Park by a score of 28 to 29. Pelikan, Kotek, and Michniak scored first, second, and third, respectively. The frosh-soph won over Austin by a 18 to 45 score. The scoring went the same way as in the Oak Park meet.

In another meet against Oak Park, Pelikan, Flak, Korton, Kumorek, and Michniak scored in that order to give the frosh-soph missed first place by one point, losing out to Oak Park by a score of 37 to 36. The teams were well coached by Coach O. J. Kudrnovsky and Assistant Coaches L. H. Batson and J. Loprieno, an English teacher.

TRACK . . . The 1951 track team made a fine showing behind coach Kudrnovsky's excellent coaching. Some of the track men that he considered outstanding on the squad were: Christenson and Jirik, broad jumpers; Jarvaney and Caithemer, hurdlers; Males and Drefs, mile runners; Kocar, half mile runner; Schmeltzer, quarter mile runner; Karpiel, sprinter; and Konicek, shot put.

In a three way meet with Riverside and Hinsdale, Morton emerged victorious with the final score: Morton 54; Hinsdale 48; and Riverside 23. The combined efforts of Captain Karpiel and Konicek took half of the events. Karpiel won the 100 and 220 dashes while Konicek took the discus and shot put events. Frank Lescinsky took the 440 and Joe Males won in the mile. Taking second place for Morton were Drefs in the mile, Benson in the dash, Schmeltzer in the 440, Christenson in the broad jump, and Males in the 880. Caithemer took third in high hurdles.

With Karpiel the leading point gainer winning the 100 and 220 runs, the Cindermen lost to Austin 75-36. Schmeltzer won the quarter mile; Michniak, the half mile, and Konicek took second in shot put and third in the discus throw. The harriers then finished third in their last meet of the season with Niles and Proviso. Karpiel took the 100 and second in the 220, Konicek took seconds in shot put and the discus throw.

The frosh-soph won a meet with Hinsdale and Riverside, the scores being: Morton 60; Riverside 42; and Hinsdale 28. They won over Austin and came in second in a meet against Niles and Proviso. Pecha in the broad jump; Slanec and Spolar, the hurdles; Spagnola, the 100 and 220; and Lakosil in the pole vault; made fine showings all season.

VARSITY BASEBALL . . . The Mustangs started the season off with a decisive 9-2 decision over Oak Park. While striking out 12, Zitek allowed only four hits. In a twin-bill against Highland Park, Morton won 3-0 and 12-4. Zitek pitched a 2 hitter in the first game, and Makovsky led a 12 hit attack with three hits in the second game.

After defeating Oak Park 7-0, the Fencl-men suffered defeats losing to Argo, 6-3, and Evanston, 9-6, for their first league defeat. On the ball again, the Mustangs downed New Trier in both games of double-header, 4-1 and 6-0. Lefty Bob Miller pitched a neat 5 hit shut out against the Green Wave in the second game.

In a 1-0 loss to the Proviso Pirates, the Mustangs had the bases loaded with one out in the seventh but were unable to score. The team fell again to Evanston, 3-2, but came back strong in a win over Oak Park 7-3.

The Mustangs won easily over Argo, 4-0, and then behind Bragiel's fine two hit pitching, the team rolled over La Grange, 12-0. In a 13 inning duel, the Mustangs were defeated by Proviso, 8-7. The Pirates got the winning run on three errors and a walk. Miller collected five hits and Zitek four in the 18 hit slugfest.

Jim Bragiel pitched a no hit no run game in downing Niles 10-0. He also hit the first home run of the season for the Mustangs. The Maroon and White were victorious over Proviso, 6-4, and came in strong with a double victory over the Waukegan Bulldogs, 3-2, and 2-1. Miller pitched his best game, a one hitter in the second game.

The team had a 13-5 record for a .722 average and the Suburban League Championship. Miller and Zitek led the team with 5-1 and 7-2 pitching records respectively. In the hitting department, Miller batted .383 with 10 R.B.I.'s, Zitek .360 with 19 R.B.I.'s, and Bragiel .354 with 25 R.B.I.'s.

BOXING . . . Although there isn't an inter-scholastic boxing program, the team is held together by high intramural competition. Mortonmen who are desirous of learning the art of self-defense find that Morton's program more than fills their wants. Under the able supervision of Mr. J. Jahelka the 30 boxers gain in skill and physical education but also in courage, self-confidence, and co-ordination.

Under strict and continual supervision, boxing can be the great sport it is at Morton, where there is little chance of injury. Under high school rules, the fighters box three 1½ minute rounds with a minute rest between rounds. The boys wear 12 oz. gloves and are required to have mouthpieces; they also must have a doctor's examination before every bout to minimize the chance of mishap.

Morton does not have inter-scholastic boxing because none of the schools in our section have teams. This is due to the fact that boxing is a very difficult sport to coach. When Morton had inter-scholastic boxing we did win three state titles, but even now the spirit is still carried on by the 30 Mortonites and Mr. Jahelka.

TENNIS . . . Coach W. A. Hedtke coached this year's tennis team for Morton. Only a few regulars returned from last year's squad, these being Bezouska, Novander, Franciscy, Lindroth, and Blomgren. Many lettermen of last year did not return, and the team has many new faces.

The team was poor all of the way through the season. The Racquet Wavers could not do a thing against Waukegan, Proviso, Oak Park, New Trier, Evanston, Highland Park, or Riverside-Brookfield. They lost to each one of these schools by the score of 5 to 0. Novander and Blomgren were playing at the singles and didn't win. Against Thornton, the squad lost 3 to 2. Bezouska played the third singles and won one match.

Prospects for next year's team look pretty good with the majority of this year's new and now experienced team coming back. Novander and Blomgren will probably be the two retaining singles players.

TRACK CLUB . . . The members of the Morton Track Club learn and try to promote good sportsmanship and citizenship. The club is comprised of boys who are interested in track or field and not necessarily limited to those on the track team.

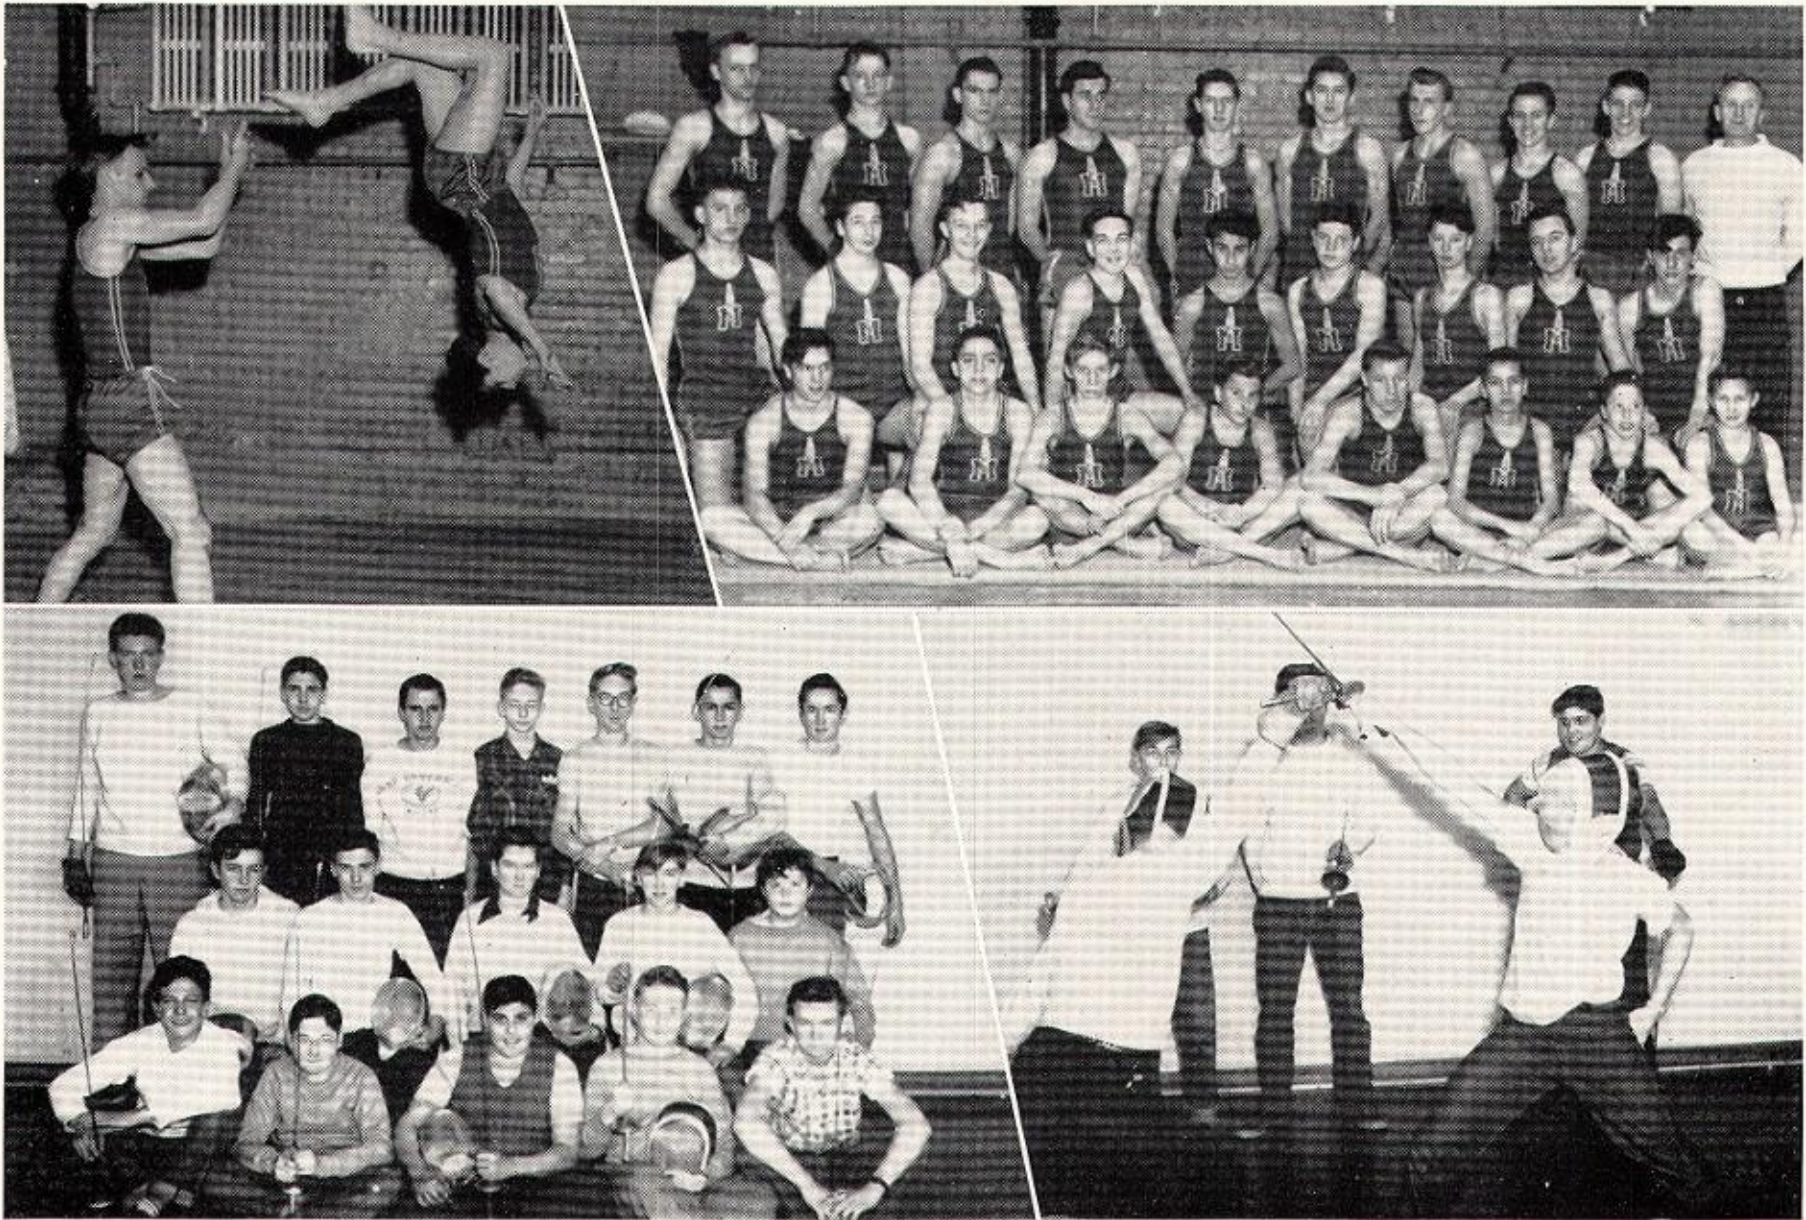

The club, under the able direction of Coach Kudrnovsky, organizes the annual grammar school track meet and puts on a track exhibition for gym classes. At their meeting the trackmen "recap" the last track meet and try to find the few weak points of the team contest. The track club also discusses and demonstrates track techniques and conditioning exercises.

The officers for the first semester were: Joe Males, President; Vince Capone, Vice-President; Ronald Pecha, Secretary; Robert Caithamer, Treasurer; Wes Folgers, Sergeant-at-Arms.

Elected for the second semester were: George Gales, President; Ronald Weiner, Vice-President; John Lakosil, Secretary; Ronald Pecha, Treasurer; Joseph Kubik, Sergeant-at-Arms.

GOLF CLUB . . . Being established this September makes the Golf Club one of Morton's newest clubs. The club is advised by Coach Pavlinek and is made up of all those boys who are interested in learning the sport of golf and also those who wish to improve their game. It has a relatively small membership, but it will grow as soon as more boys learn of it. Although the Golf Club hasn't had any activity as yet, they plan to have several games as a group this spring.

TUMBLING AND GYMNASTICS . . . The tumbling and gymnastic groups meet every day during the third hour and receive valuable information and instructions from coach O. J. Kudrnovsky. Gymnastics and tumbling are sports that require coordination and a lot of practice. The students do not get much of a chance to see the boys because the groups do not have interscholastic meets. They do, however, exhibit their fine work at the annual Physical Education show.

The tumbling work is done on mats and involves flips, somersaults, and handstands. The flips and spins done on the trampoline may appear easy, but they are far from it. Much skill is required, and serious injury may result if the gymnast lands the wrong way. There is a knack to doing the stunts on the horizontal and parallel bars. Good gymnasts in this line are few, and injuries occur often. All of the boys gain enjoyment as well as fundamentals during the third hour and do not mind working.

FENCING . . . The fencing class originated about three years ago. Some of members of the M.S.G.A. felt that while they were staying after class, they could start some activity. The class started with six or seven members and is building every year. This year's class has eighteen in it. The boys go out for this sport mainly because they like this form of competition involving personal skills. The group meets daily in room 202 during the eighth hour. They are instructed by coach P. R. Pavlinek, who believes more boys will take interest in the sport in coming years.

Morton's letter club is for all of those earning major letters in the various sports and activities as baseball, basketball football, wrestling, soccer, and other interscholastic sports. Only those gaining the consent and approval of the club members can gain membership. The new members are admitted to the club at the beginning of each new semester and must take the "M" Club initiations. The group meets weekly during the Home Room period on Wednesdays in the auditorium.

The "M" Club Hop is one of the club's main functions and is held annually in March. It is at this dance that the Morton Queen is elected. One of the club's main activities was the selling of programs at basketball games to support the purchase of motion picture equipment for the Physical Education Department.

Each semester at student assemblies, the awarding of letters to the athletes is sponsored by the "M" Club. The boys that earned enough points to win a school letter are presented one before the student body. The members of the club are advised on college athletics and are usually spoken to by a former high school athlete.

The officers serving the organization this semester are: Bill Roy, President; Jerry Kocourek, Vice-President; Lincoln Stelk, Secretary; and Frank Lescinsky, Treasurer. The advisors of the "M" Club are Coaches Soucek and Pagakis.

GIRLS' "M" CLUB . . . Athletic-minded girls of Morton enjoy using their skill and energy in volleyball, basketball, and other team sports offered by the "M" Club to promote interest in sports and their rules and regulations. Besides this, the girls help in many school affairs.

The girls also attend other activities planned by the club; such as, attending plays, hikes, bowling, splash parties, pot-luck suppers, and the annual trip to the dunes.

In order to join the club, a girl must have earned 1,000 points, have an 85 average, be able to swim four lengths of the pool; and she must have had a TB skin test or X-Ray. The necessary 1,000 points can be earned by participation in intramural activities, P. E. Demonstrations, and by keeping swim cards, walk cards, and health cards.

After she has earned her "M" and become a member of the club, the girl who has earned additional points receives a star for each extra 1,000. A shield is awarded to those who do service work in the club. Club adviser is Miss D. J. Griesbaum.

A Strong Mind In A Healthy Body

P. E. Program In Review

FRESHMAN . . . The freshman girl finds that this is a wonderful time to become acquainted with sports if she has not already done so. She is taught the fundamentals of soccer first, then come basketball, volleyball, and finally softball.

These four sports do not complete her schedule, however; and she finds that her gym periods include marching, dancing, conditioning exercises, hygiene, and swimming.

SOPHOMORE . . . In her sophomore year a girl engages in the same sports she enjoyed during her first year at Morton. Besides this, she receives instructions in driving. Tests are given in the class to show quickness or slowness in responding to various traffic situations.

The sophomore is given an opportunity to select a particular field in which to center her physical education interests. A girl who leaves the regular gym class to enter a special class must be recommended by her P. E. teacher.

She may choose to enter a senior leadership class, where she will be trained to assist the regular gym teacher by taking roll and refereeing games. Of course, the senior leader must have a thorough knowledge of the rules and regulations of all sports.

Other special classes that she may elect to enroll in are: life saving, advanced swimming, and creative dance.

JUNIOR . . . By the time a girl has reached her junior year, she has a good knowledge of fundamentals and begins to realize that this thing called sports is a lot of fun. Social dancing with both boys and girls lends a little variation to the junior girl's program. Another innovation is one semester of Home Nursing and one of Mother and Baby Care, for which Red Cross certificates are awarded at the close of the second semester.

SENIOR . . . The senior girl continues to perfect her skills in the four sports offered to her in gym. By this time she begins to feel that she really has accomplished a great deal in the way of improving her techniques.

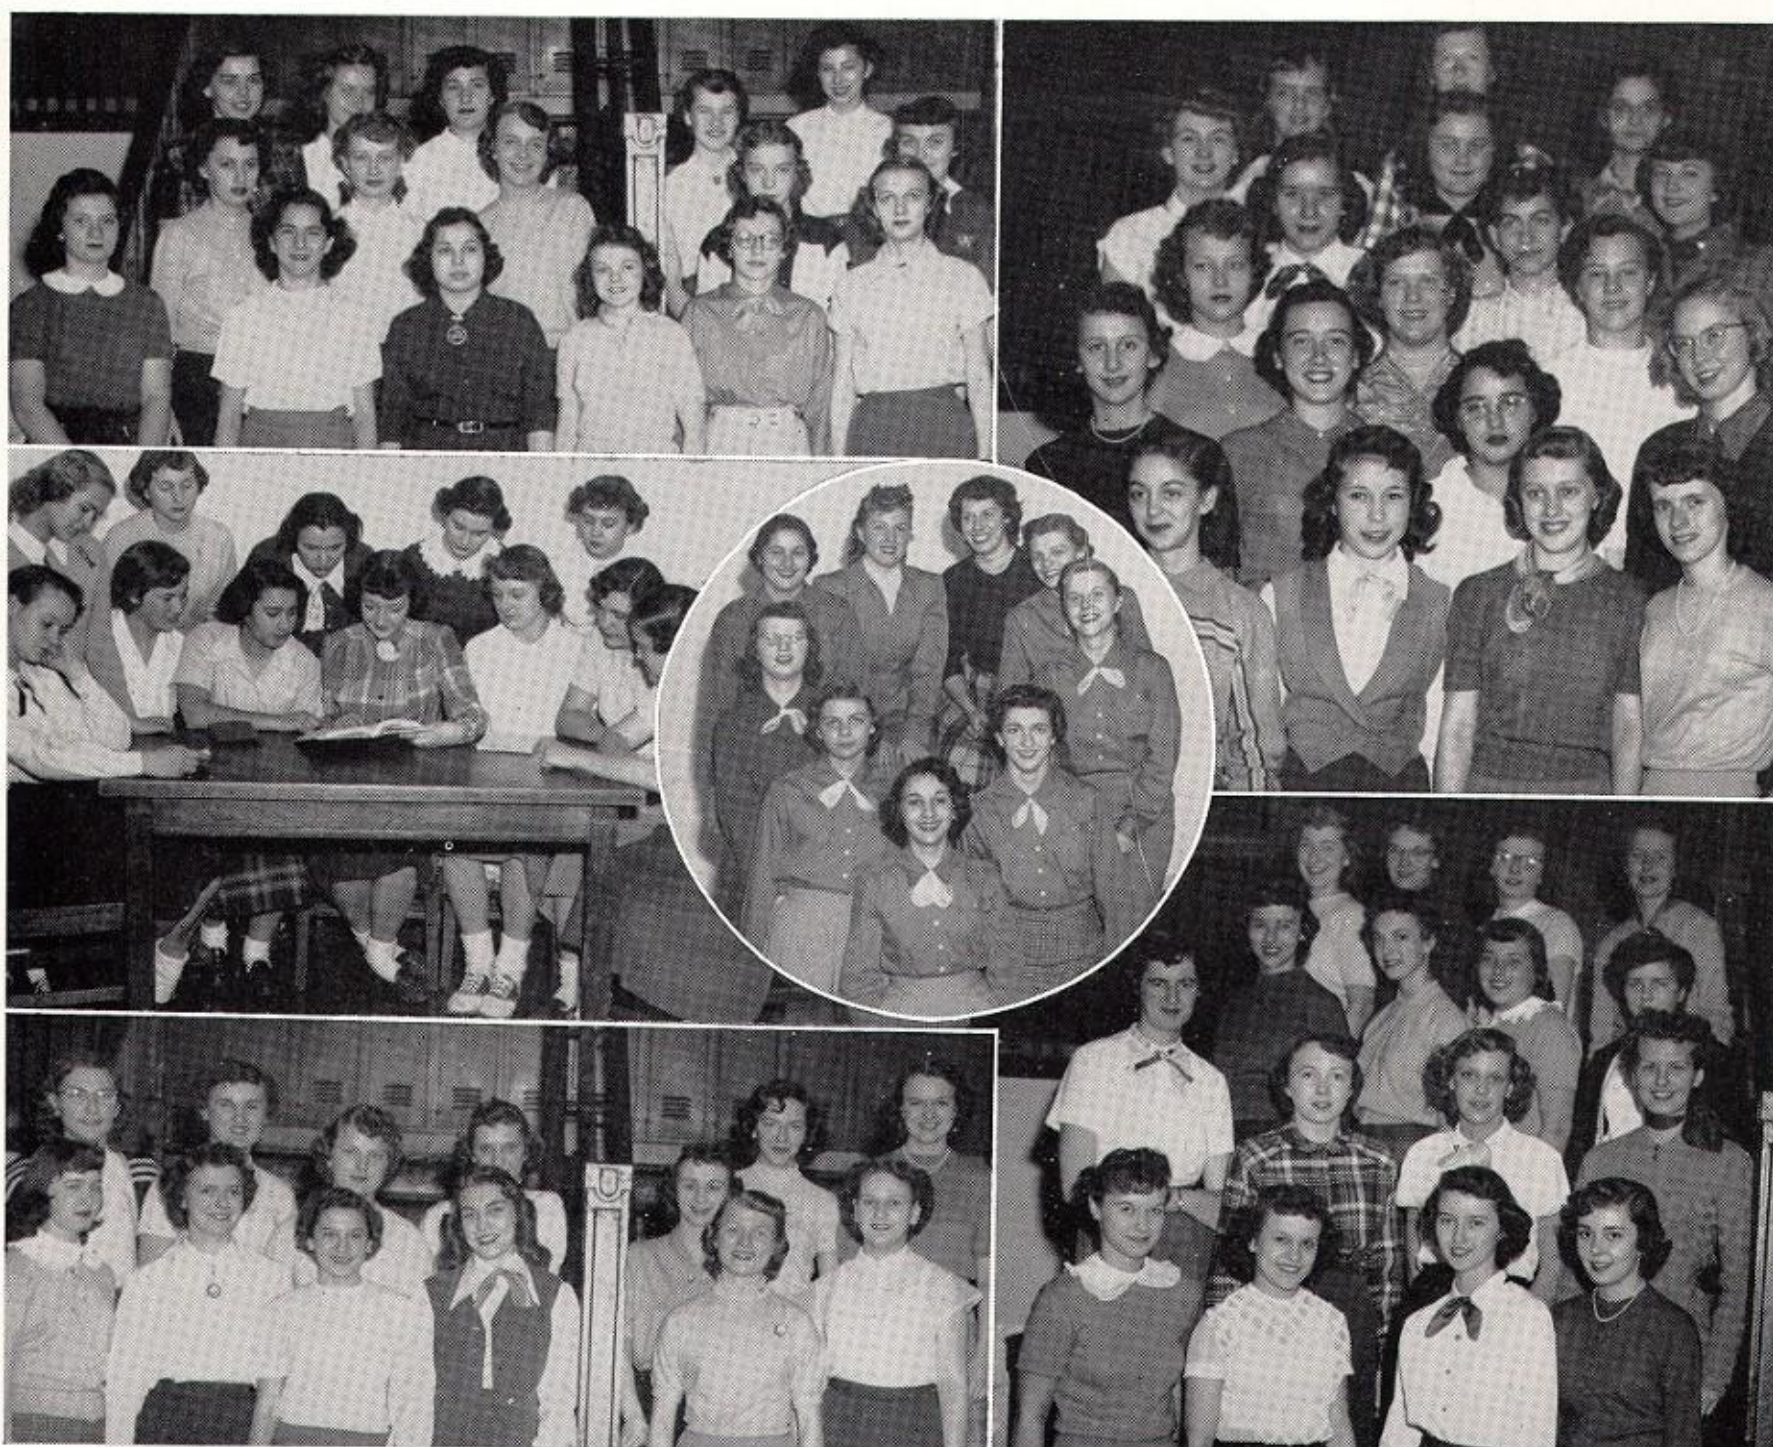

To supplement her P. E. program she must devote one period a week to First Aid. Here she learns the immediate and temporary care that must be given to a victim of sudden accident or illness.

GIRLS' ATHLETIC ASSOCIATION . . . The aim of the GAA is to stimulate interest in sports and out-door activities and instill ideals of sportsmanship and health. Besides organized sports such as basketball, volleyball, swimming, softball, and modern dance, members of the club enjoy various social activities. Horseback riding, hikes, playdays, picnics, award banquets, and, of course, the annual sock hop are all looked forward to during the year.

Awards given by the club to girls who have earned the required number of points through organized and unorganized activities include numerals and the GAA "M" followed by the "I" and state map, which are state awards. Miss Berman and Miss Feuerstein are the club advisers.

TUMBLING CLUB . . . Girls who have special tumbling skills are brought together so that they can learn and perfect stunts. Stretching and straining soon becomes easy for them—imagine that!

These girls appear in tumbling demonstrations; they hold parties, picnics, and award banquets; and they assist in school activities, such as, the Dad-Daughter Banquet.

Miss R. E. Berman is the club advisor.

LIFE SAVING CLUB . . . Girls who guard the swimming pool and watch over our splashing mermaids of the gym classes have all passed the Red Cross Life Saving test, proving them capable of guarding. TAP CLUB . . . The Morton Tap Club consists of two groups: beginners, who meet during afternoon G. A. period one day a week, and advanced, who meet during morning G. A.

The beginning tap group is taught the fundamentals of tap dancing and one simple dance routine. The advanced group learns and practices new dance routines to be given in performances for various school affairs. Club activities are conducted by the officers with the aid of their adviser, Miss A. J. Novotny.

To those hard-working girls who have devoted their time and talent and have worked in a required number of performances, a tap club "M" is awarded.

Officers of the advanced group are: President, Ann Vodak; Secretary-Treasurer, Yvonne Prazak. Ellen Cwinske and Marilyn Mussatto are co-chairmen of the beginning group.

CREATIVE DANCE CLUB . . . The membership of this club is composed of girls from the creative dance classes. School affairs that require dance talent really receive it when the lovely ladies of this club lend their talent to a performance. This is but one of the activities of the club. Too, the girls compose original dances.

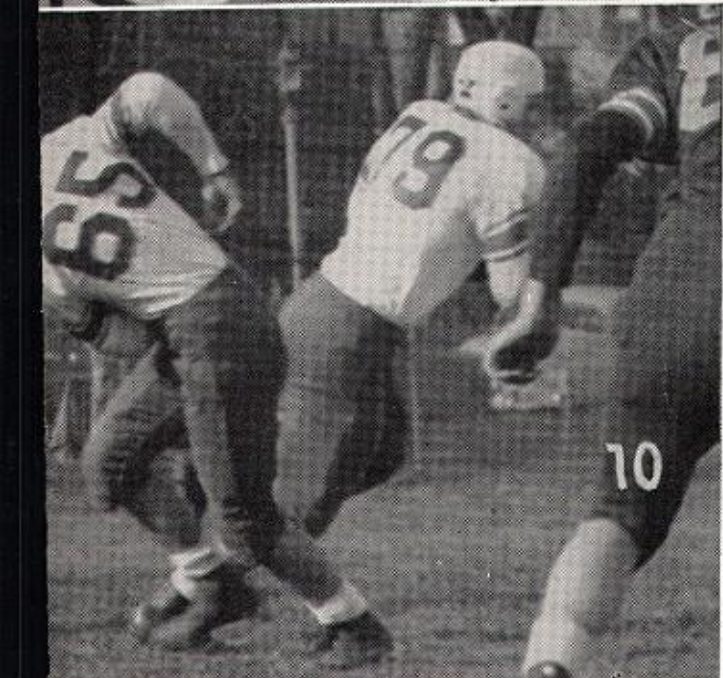

This year dancers performed in "The Wishing Well." Dances in this opera were composed by the members of the creative dance classes as a class project.

An "M" is awarded to those who have been in the creative dance group two full school years and who have participated in all club activities and performances. Two banquets are held by the club to honor graduates and girls receiving awards.

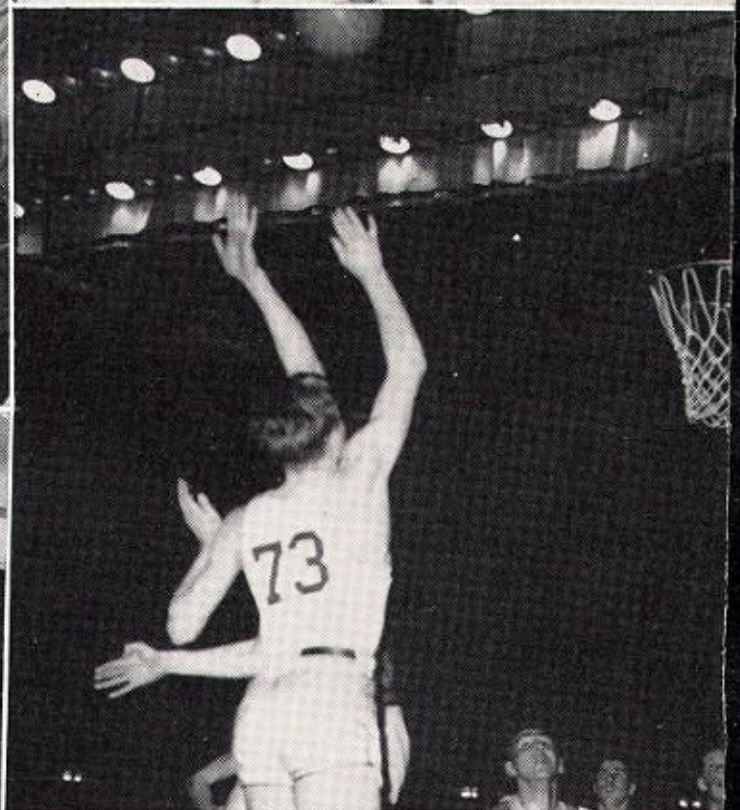

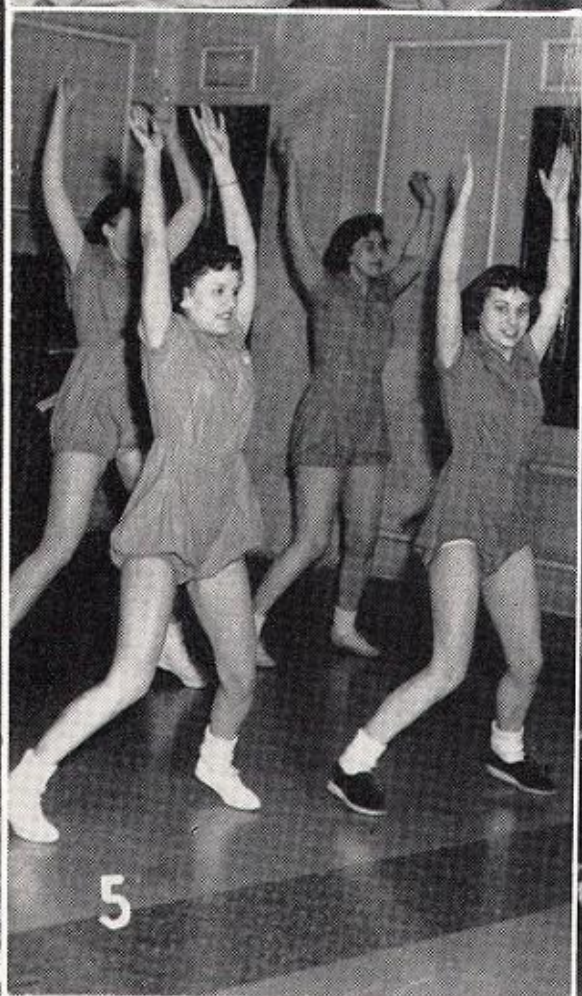

Officers of the club are: President, Yvonne Prazak; Vice-President, Charlene Marshall; Secretary-Treasurer, Ann Vodak; Board Members, Gloria Skender, Dorothy Ricker, Ann Swanson, and Katherine Lozier. Miss A. J. Novotny is the adviser.

Dear Junebug,

I really can't tell you
how much I have enjoyed being
friends with you. I think you're
a real sweet "bug," and you had
better call me or write to me
after we graduate. Good Luck
and Best Wishes to you always.

Sincerely,

June

Dear June:
It was nice knowing
you all these years. We
may have been crabby a few
days but we didn't mean to
be. Did we? Loads of luck
to a real sweet girl. Hope
to see you around this
summer.

Dear Love,

Best of luck. June to one swell gal. We have gone
through grammar school together and now we ^{are} at the
end of our high school life. Thank for all the help in
Bk. I don't think I could get along without "company"

Dear June,

Dear June,
Thank you so much for walking with me from Ek. It's been
lots of fun with A.J.F. That's before he moved me across the
room.

Lots of love and happiness to you in the future. I don't know if I'll ever see you again, but I'll say until we meet again anyway.

Yours,
William Morgan

Dear June:-

Another year:- this one the last!

Sorry - yes. I feel terrible about it.

After our friendly through grade school and high school - now we're all to separate in different directions.

You've been a perfect friend - June - your sweet and considerate - have a

grand personality - Gee. I admire you - you're always worn a smile and your face - although thick and thin.

You've been attentive to my problems -

change at times I imagine they were boring. May I wish you the best luck

in the world at what ever you attempt - Nothing could be too fine for you! I'll see to it that we keep in

contact this summer and always -

I'll never forget the memories together - through happenings and sorrow -

Once again - the best of every-thing - You're swell -

Yours always -
